Imany of the council of 1897 had been reselected, referring to Capt. Crandell who had been a colleague of his in the past, when he, the Mayor, had years ago had a seat in the cuucil. He hoped all the members would work, and not for a few to monopolize all the business that was to be done. Great things were expected of the council by the citizens, and ne hoped they would not be disappointed. Lindsay, his worship remarked, was the largest town with one exception east of Toronto, then referred to the several industries that were carried on in the town. Dundas & council adjourned.

Toronto, then referred to the several industries that were carried on in the town. Dundas & Flavelle Milling company, besides what they sold in the provinces, did a large export trade, not only to the United Kingdom, but to several other countries in Europe. The appearance Rose Manufacturing company sm. sylvester Bros. Manufacturing company employed 70 hands, running full time. When he, the Mayor, was in Manitoba last year he Pursuant to the Judgment of the High Court of Justice in the matters of the estates of

William John Wright and Margaret Wright deceased, there will be sold with the approbation of the undersigned Masser, by

Margaret Wright schools including the separate school of all of which we should feel proud. To cap all, our business men were first-class. Those remarks were intended to stimulate the members and impress on them the necessity of doing their part as representavives of the people, for the town at large, and not for any particular ward or locality. Log-rolling should be discouraged and one and all work for the best interests of the town at large; any new scheme should be well considered before being introduced, personalities should be discouraged and business done in a business like manner, After referring to the rules of council, which the speaker said he would strictly enforce, and naming several matters that would in all

probability come before the council, he resumed his seat. The following communications were road: From J. W. Diament, saking to be appointed one of the assessors. Received and fyled. From A W. Campbell to Dr. Burrows re a bulletin he is preparing in reference to good roads, asking as to what was contemplated to be done in Lindsay to that direction, a printed copy of another letter the Dr. had received in reply to one written by him in reference as to what should be done by the council, at the request of the De was also read, the original having been misiaid. After a short discussion both were referred to the board of works.

From Richard Free, asking to be appointed caretaker of the dumping grounds. Fyled. From A Bonnette, in regard to the street in front of his house being so slippery as to be dangerous, caused by children sleigh riding on it. Chief of police to attend to the matter complained of.

From George Greer, asking for the position

of street overseer. Fyled. From W. McDonnell, Esq., endorsing a petition to the government to commute the sentence of death on Mrs. Sternaman. After some discussion the communication was ordered to be fyled.

A number of accounts were read and referred

to the respective committees to which they Report of market clerk for December read. \$100 14 received for fees and tolls. Received From chief of police, reporting \$71.50 collected during December for fines and licenses. Police committee.

Dr. Burrows gave notice of a by-law re appointing of town officials.

Four by-laws were introduced, read a first time, council went into committee thereon, Capt. Crandell in the chair. The by-laws were read in committee and blanks filled in No. 790, reappointing J. D. Flavelle high school trustee; No. 791, appointing Geo.
