After coughs and colds the germs of consumption often gain a foothold.

Scott's Emulsion of Codliver Oil with Hypophosphites will not cure every case; but, if taken in time, it will cure many.

Even when the disease is farther advanced, some remarkable cures are effected. In the most advanced stages it prolongs life, and makes the days far more comfortable. Everyone suffering from consumption needs this food tonic.

PERSONAL SERTOR OF SAMUEL J. FOX. Mr. S. J. Fox, who is in the field for the representation of West Victoria in the Ontario legislature, has been a resident of the county for over twenty-eight years. He is a native Canadian, having been born in Bowmanville, and is in the prime of life. His education was largely obtained in the university of this world and is therefore practical in its character. He completed his collegiate course in a printing effice—the Canadian Post—but dropped the stick and rule for more active out-door employment. In 1874 he was associated with his father in the brick and drain tile basiness established on the Sougog, township of Ops, and seven years later became proprietor of the same.

Sr. James' Sunday school held their annual tea and concert on Wednesday. 19th Jan., and it was acknowledged to be the best that has been held here for a number of years. Tea was served in Morrison's hall from 5 to 7 p.m.; concert in Scott's hall at 8. Mr. J. R. Maconachie of Burut River, late of the India civil service, acted as chairman to the satisfection of all. The first piece on the programme was a welcome song by the school. The chairman next gave an address, comparing India with Canada. The choir of St. James' church, of which Miss Beatrice Soward is organist, sang a beautiful anthem in excellent style. Recitation by Roy Williams. "Doll drill" by eight little girls in uniform. Song by Miss Eva Coldwell. Song by a number of little girls; recitation by Miss G. Morgan; "dairymaids' drill" by several girls in uniform recitation by Master Willie Cooper; song by some little girls; recitation by Miss M Wilson; as an elecutionist this young lady has few equals. "Railway matinee," a farce showing several characters on a train in a heated conversation, comprising a deaf man, a lady with an impediment in her speech and several others, which created roars of laughter. The next was "soarf drill" by seven young ladies, well executed, and drew forth round after round of applause. Recitation by Miss Ina Scott, Song, "Fin de Siecele," by Mir A Train, who on being encored sang "The Parrot Said;" recitation by Gordon Hopkins; song by three young ladies; dialogue, "A love of a bonnet;" song by Miss Leta Caldwell; fancy dress drill and the national anthem, which brought the concert to a close. The large evergreen tree was then stripped of its encormous load of presents, consisting of almost every kind of toy and other things such as handkerchiefs, neckties, etc. The proceeds amounted to about \$27, which was really good, considering that over one hundred were admitted free.

Church Services.—Bev. H. C. Dixon of Toronto has just finished an eight day's mission in S. James' church here and we have every reason to believe that much good has been done for the cause of God. Large congregations listened to him every night in the week and on Sunday evening last the church was packed to its utmost capacity. Mr. Dixon is a thorough christian and his discourses were of the best and most convincing we have ever heard. He was assisted throughout the mission by the incumbent Rev. E. Soward who is to be congratulated on securing Mr. Dixon's services. It is needless to say Mr. Dixon made many friends here and goes home to Toronto bearing the good wishes of all with whom he came in contact.
