Dutch actor, lots of them at Elizabeth's... In the old days of the Christian martyrs it was not unusual for the savage furies to cut innocent women into a den of lions, to suffer from the slow agonies and fear before their eyes.

They do this because of a false delicacy frequently inculcated by their mothers. There is a marvelous medicine for women concerned in maternity and makes them strong and healthy.

Dr. Pierce's Pleasant Pellets, It cures all weakness and disease of the distinctly feminine organization. It acts directly on the delicate and important organs.

IT was a curious spectacle on Sunday. While the Spaniards were praying for victory in all the churches of Spain, and while, in Havana, divine assistance was invoked, the clergy throughout the United States were preaching and praying for the other side, and the men on the cruises New York were singing "God Save the Queen."

"Lord help us in the holy task, Of blowing out the Spaniards' brains, Give us the strength, we humbly ask, To draw the life blood from their veins."

"Woe, then, our bullets aim, and fly, That they may mangle, maim, and kill, And give us success from on High, To work Thy righteous, holy will."
