WRESTLING MATCH.—A motley crowd of Peterborough and Lindsay people, principally from the former center, assembled at the Academy of Music on Tuesday night to witness a wrestling match between Tom Doyle of Peterboro, and Nick Collins of Providence, N.J., for a \$500 stake. The match was the wind up of a similar affair which resulted in a meagre victory for Collins, who had to be helped to the limelight. The match was a most interesting one and attracted a number of spectators. Collins is a wonderfully strong man and perhaps one of the best wrestlers in the province. Collins is a clever man but had neither the build nor the strength of his antagonist. It was such a condition of his antagonist. It was such a catch-may and after Collins had swept the floor for some 35 minutes Doyle managed to break his wheel badly and had to send it on to Toronto for repair.
