This is the latest. A dental survey will be made of the Spanish feet does not take a shot at him with the camera.
At last the Fenelon Falls power transmission scheme has been heard from. Messrs. Cuthbert and White-Pace notifying Mayor Taylor that they were prepared to carry out their contract with the town.
The man who whispers down a well about the goods he has to sell, is the one who climbs a tree and hollows.
A correspondent wants to know the origin of the phrase "the cat in the hat." It was first used by an editor who died and went to heaven and looked for the man who took his paper and then returned to pay for it.
I have tried every place in town and I got better tea and coffee at the Oak Front Grocery than any place else, and it's a handy place too.
There has been an exceptionally large number of visitors in and around Lindsay this summer and never before have so many to-waiting gone a visiting elsewhere. It may be owing to the cheap fares on the railways, or to the fact that times are brightening, or that people believe more now a days in taking their annual holiday. It is probably due to a combination of all three.

During the heated term it is important that residents of the town observe with due care the laws of good health. It is a time for slight coolness in local health officials. Slight coolness in local health officials. Slight coolness in local health officials. Slight coolness in local health officials.

The Rev. John Neil, pastor of the Westminster church, Toronto, occupied the pulpit of St. Andrew's church on Sunday and delivered two eloquent and forcible discourses. When speaking of Lindsay he said a good word for it. If you can't do that, don't say anything.

The Lakelord News states that the report that the body of Mrs. Thomas Henderson, who drowned last Fall in Gull Lake, has been found to be incorrect.

FAPA—Yes, the Lord created the world in six days, and he rested on the seventh, which is the Sabbath. Little Miss (impudic) it's funny his son didn't make him go to church.
Dr. J. L. Sutton, honor graduate of Toronto University and Royal College of Dental Surgeons. Office over Anderson & Nagout's furniture store.—84-11.

The Peterborough council has voted to retain the water system and the change decided for by the people will not be carried out. The by-law to reduce the number of councillors was defeated at the final reading.

The man who gets the most letters is the man who complains the most at the post office; the man who complains most of his neighbor is the man who has the least cause to be so annoyed; and the one who does the most "sneaking" about the news contained therein.

Some of the riff raff around town who have no outward means of subsistence, and of which class there are far too many in Lindsay, destroyed one of the st. Crandell's bulletin boards on Tuesday night of last week.

Trouton engines and trucking machines are the order of the day and almost daily they are passing through town to fall their various engagements. Wherever you see the machines should be back streets. The machines should be kept at the Kent street at any rate or else serious runaways will be numerous.

The American campers up along Lake Simcoe are a genial and generous lot of people. They fraternize with Canadian coasters in the warmest manner and by the flag of the good will and sympathy.

A Lindsay man is said to have answered an advertisement to pay at the rate of \$2 per 1000 for distributing circulars. He sent two cents as evidence of good faith and expected two or three thousand circulars by the next mail. He received a letter in which was enclosed a bill for two-cent stamps—two cents for distributing ten circulars being at the rate of \$2 per 1000. It will seem to say that he did not distribute the circulars.

Archibald Currie, a young man living near Cannington, was the victim of a most unfortunate accident last Friday whereby he has suffered the loss of an arm. He was walking in a field and in the temporary absence of the regular feeder, undertook to do his work. His hand was caught and drawn into the machine up to the elbow. He was taken to the General Hospital, where, where the arm was severed. It was necessary to amputate it.

The accident occurred at Peterborough last week whereby Miss Thornton met her death through being shot by a bullet from a 22 calibre rifle, demonstrates that these so-called gun laws are most dangerous for the safety of the people. A 22 calibre bullet carries with sufficient force to penetrate a two-inch plate of iron. Great vigilance should be used to prevent the use of any description being used within the town limits.

Agnes Mundy, grocer, Hamilton, has opened a new account in his ledger.
