The Helpfulness of Little Thin

The Helpfulness of Little Lumber, No one can measure the happiness that comes from little deeds of Lindmes and mercy. Henry Yan Dyke sings the truth with great eleganeses;
Only a little chriveled seed—
It might be a firmer or greas or weed;
Only a box of earth on the edge
Of a narrow, dusty window-ledge;
Only a few clear, abining hours.
That was all, Yet G: d could make
Out of these, for a sick child's sake,
A blessom-wonder as fair and sweet
As ever broke at an angel's feet.

Only a life of barren pain.
Wet with sorrowful team for rain;
Warmed cometimes by a wendering gle
Of jry that seemed but a happy dream.
A life as common and brown and bare
As the bex of earth in the window the
Yet it bore at leat the precious bloom
Of a perfect soul in a narrow room—
Pure as the snowy leaves that fold
Over the flower's heart of gold.

Fraud in Quebec Montreal, Can , Oct. 15. — (Special correspondence to The Voice)—Election frauds in connection with the plebiseite are coming to light daily. In one polling personator has teen traced who voted 40 times. The investigations by the Alliance are likely to lead to the imprisonment of are likely to lead to the imprisonment of a number of the effenders. The antiprohibition vote in this province is coming to be regarded throughout the Dominion as a fraud, and as not likely to be regarded as valid by the honest members of the Laurier Government. The air is clready full of rumors of an attention of the library of the library regarded as
