It has been suggested that a hookev lesgue be formed this year, composed of Lindsay, Peterboro, Norwood, Milibrook, Lakefield, Ozbourg and Port Hope, The Hon. Secretary of the Ontario Hookey Association has written the Lindsay accretary to this effect. The matter will be decided at a general meeting to be held in Toronto on Dec. 3. We believe the idea to be a good one, providing Peterboro, which is one of the strongest hookey towns in Ontario, be placed in another league with some stronger clubs. A good hookey team of Lindsayites that would get down to hard work and endeavor to bring victory to its banners would receive the support of the whole town. With a winning hookey team and its champion curiers, then indeed, would Lindsay be king of the ice.
