THREE CONQUERING HEROES

Kidney Disease, Rheumatism and Stomach Trouble Conquered by the Three Great South

American Remedies. Frompt Relief for Every Sufferer

Safety to the sufferer from kidney disease i driving the poison from the system. Pills ad powders, whilst they give apparent relief, the disease. The hard, sand like particles their power. Will they exercise the lat gather in the blood must be dissolved if same power in the same way over the od thus deceive the patient, do not eradicate dney Cure that will do this. Mr. Michael Mullen, a well-known resident of Chesley, ont, was a victim of kidney disease, so severe that at times he could not lie down, or remain any one position for a length of time.

theumatism from the system. Mr. Robert E. Gibson, of Pembroke, Ont., suffered untild misery. Doctors blistered him, and specification will, as I'Electeur exhorts, "guard their sovereignty well." als remedy will drive the worst forms of applied every known remedy, but did no good. "The first dose of South American Rhoumatic Cure," says Mr. Gibson, "gave me instant relief, and half a bottle cured."

The nervous prestration that comes to many women can be quickly overcome by the use of South American Nervine. This medithe attacks the nerve centres, which are the ountains of all health, and the disease banithed from these the system can soon be built up. Mrs. M. Williams, of Fordwich, Ont., wife of the well-known manufacturer of that town, suffered intensely from nervous pros-tration for years, and seemed beyond relief of the best medical skill. "I was under medical teatment," says this lady, "for two or three years, but my condition only got worse. I read of the wonders performed by South American Nervine, and tried a bottle. One bottle gave me sufficient relief to encourage me to continue the medicine, with the result that it was not long before I was completely cared," Sold by P. Morgan. -55-1.

You Would Not have had that throbbing headache had you taken a Burdock Pill last night. 55-4.

The Breath of the Pines, Throat and Lung troubles are cared by Norway Pine Syrup. Price 25 and 50 came. It breathes out the healing virtues of the pine forests.—46-ti.

Pensions in Hingland.

The total amount paid out for all kinds of pensions in the United Kingdom for the year ending March, 1892, was £7,588,-862. Then pensions for the civil list amounted to £,101,687; for the samy; £3,714,678; for the navy, £1,742,812; and for the survivors of former distinguished naval and military men, £29, 720. The whole number of recipients of all classes is 162,040.

Employees Killed and Injured.

The number of railway employees kill ed during the year ending June 30, 1896, was 1,811, and the number injured was 25,696. These figures compared with those of the previous year show a decrease of 12 in number killed, and an increase of 2,274 in the number injured. The number of passengers killed was 170, the number injured, 2,875. These figures give for the year a decrease of 154 in the number killed, and 659 in the number injured. The number of passengers killed is remarkably small. The smallest number killed in any of the preceding seven years was 286, 1890. One employee was killed for each 97 employed, and one employee was injured for each 31 employed. Of the class of employees known as trainmen, that is, engineers, firemen, conductors and other employees whose service is upon trains, it appears that one was killed for each 155 in service, and one injured for each eleven in service. The number of passengers carried for each passenger killed during the year was 2,984,832, and the number carried for each passenger injured was 218,651. The liability of passengers to accidents is better shown in the fact that 71,696,743 passenger miles were accomplished for every passenger killed, and 5,181,977 passenger miles for every passenger in-

Lightning struck the Italian warship Roma during a recent storm. A torpedo was set off under the hull of the ship in order to sink her before fire reached the powder magazine. The crew were taken off in small boats. Nobody was hurt.

A powder magazine at Funfkirchan, capital of Baranya, exploded on Thursday of last week with fatal results. The town hall was almost completely wreeked and other buildings in the vicinity were badly damaged. More than 100 persons were injured, and it is thought that the greater proportion of them will die.

The Globe of last Friday says :- "Mr. Martin Burk of Bowmanville, in company with four other gentlemen, spent a day fishing at Caesarea recently, on Lake Sengog, and returned home on that evening with nineteen maskinonge and a number of bass. The maskinonge averaged fifteen pounds, the smallest weighing six pounds and the largest being 26 pounds in weight and 46 inches

A monster petition to the federal government praying for the further restrictions of Chinese immigration to Canada is being circulated. The petition will contain over ten thousand names when it is sent to Ottawa. The petition recites that Chinese labor is driving out the white working men; that the United States realizing this have excluded the Mongolian colonies and that Canada should also adopt measures to keep them out. It urges that a tax of \$500 be levied upon each Chinaman entering the

Dr. Agnew's Cure for the Heart Sayes the Life of a Lady Resident of the Northwest.

WONDERFUL CATARRHAL POWDER CURES A NOVA SCOTIA RESIDENT OF CATARRHAL DEAFNESS.

When heart failure overtakes a person, unless the action of the heart can be immediately accelerated, the very worst results may follow. This is where we hear of so many cases of sudden death from heart disease The elements that constitute Dr. Agnew's Cure for the heart are such as to give relief in this particular immediately, without produc ing any hurtful effects. Then continued with a little patience the disease becomes banished from the system. Mrs. J. L. Hillier, of Whitewood, N.W.T., says very plainly that this remedy saved her life. She had been much affected with heart failure, finding it impossible to sleep or lie down for fear of suffocation. The best doctors skill in these Northwest Territories was of no avail. She says-"A local druggist recommended a bottle of Dr. Agnew's Cure for the Heart. I tried it and with the result that I immediately secured ease, and after taking further doses of the medicine the trouble left me. The fact is, knowing how serious was my condition,

this remedy saved my life."

W. C. T. U. COLUMN.

For God and Home and Native Land.

Regulating that which is Wrong. One of the strangest efforts, writes Geo. R. Scott, in the New York "Witness," that have been made, and one that is still being made, is the effort to regulate the liquor traffic.

While reading an article headed "Slaves and Slavery," I was struck with the fact that the name of the first slave ship, licensed by Queen Elizabeth for the cruel traffic, was the "Jesus". What a name to give a ship engaged in such a diabolical business.

I also noticed that at one time "the British parliament passed laws regulating the slave trade."

Some fourteen years ago I listened to a wonderful speech delivered by the late Wm. H. Boole, in which he said—speaking of regulating the liquor traffic—"You might as well try to regulate hell!" It struck me at the time as a very severe sentence; but the older I get the more I am satisfied that he spoke the

Father of the African race for vengeance; and as far as this country's connection with slavery was concerned the wrath of

God was shown in a way that it is to be hoped will never be repeated. The Avenging Angel came and slew one son at least in nearly every family in the south and did almost the same thing in

The attempt to regulate African slavery came very near blotting out the government of the United States. Only the annihilation of the curse saved the stars and stripes from being a thing of the

If God was dead this nation might go on trying to regulate the liquor traffic until its inhabitants die out by being so weakened physically by the results of strong drink that the race would become

merely puny nothings.

But God is not dead. His eyes are never closed nor are His ears closed, God is angry with the wicked every dayon Mondays as well as on Sundays, It is no more right to close up the salcons on Sundays than it is on Mondays, It there is any truth that is more self-evident than another, it is that God knows no year, month, week, day, hour or minute when it is right to do or sanction that which is wrong.

CONCLUSIVE PROOF.

From a Well Known Citizen.

From a Well Known Citizen.

"My daughter Polly, has for more than a year been troubled with severe symptoms of kidney disease. She had constant and acute pains in her back. The pain in her head was fearful and almost unendurable. It frequently preented her from attending school, and she found study at home practically impossible. She had so appetita, and did not aleep well. The pain was very severe around her heart and she was much troubled with futtering and palpitation. She was completely worn out is body and was tired and drowsy all the time. Her mother and myself became seriously alarmed as she was constantly getting worse.

"Last July my daughter Sarah, a teacher in the Public School at Kingsville, Ont., came home to spend her vacation, and finding her sister in such a distressing and dangerous condition, said, I am taking Doan's Kidney Pills and they are doing me much good, I have a box with me and will divide with Polly, which she did. By the time Polly had finished the half box her improvement in health was so marked, that I procured more from \$\mathbb{E}\text{Rraleigh's drug store.}

Her full restoration to health and spirits was rapid and continuous. She has now none of her former dangerous, painful and distressing kidney troubles. She eats and sleeps well, and for more than a month has enjoyed the most vigorous health. She has not lost a day at school since she commenced taking the pills, and has so much faith in them since they restored her to full health that she wants me to keep six boxes in the house all the time, in case they should be needed and not available. Her cure has been so wonderful she thinks they will cure any complaint. If the pills had cost \$10.00 a box, I would not have begrudged the money. The restoration of my daughter, voluntarily and without any urging or inducement whatever, to show the graditude my daughter, wife and myself feel for the wonderful cure wrought by the Doan Kidney Pills. We have not the least doubt that her trying the pill just at the time she did seved us a lar

## Letters Come.

Letters come day by day telling us that this person has been cured of dyspepsia, that person of Bad Blood, and another of Headache, still another

of Biliousness, and yet others of various complaints of the Stomach, Liver, Bowels or Blood, all through the intelligent use of Burdock Blood

It is the voice of the people recog-

nizing the fact that Burdock Blood Bitters cures all diseases of the Stomach, Liver, Bowels and Blood. Mr. T. G. Ludlow, 334 Colborne Street, Brantford, Ont., says: During seven years prior to 1886, my wife was sick all the time with violent headaches. Her head was so hot that it felt like burning up. She was weak, run down, and so feeble that she could hardly do anything, and so nervous that the least noise startled her. Night or day she could not rest and life was a misery to her. I tried all kinds of medicines and treatment for her but she steadily grew worse until I bought six bottles of Burdock Blood Bitters from C. Stork & Son, of Brampton, Ont., for which I paid \$5.00, and it was the best investment I ever made in my life. Mrs. Ludlow took four out of the six bottlesthere was no need of the other two, for those four bottles made her a strong, healthy woman, and removed every ailment from which she had suffered, and she enjoyed the most vigorous health. That five dollars saved me lots of money in medicine and attendance thereafter, and better than that it made home a comfort to me.
