This is not a dogmatic statement, strong as it may s. em. Leading members of Parliament, the most prominent clergymen of the Episcopal, Presbyterian, Methodist, Baptist and Roman Cathelic churches, have borne testimeny to the effectiveness of this medicine. Mr. John MacEdward, the popular purser of the Canadian Pacific steamer "Arthabases" is one who Arthabasca," is one who was cured of intense suffering from catharrhal troubles by the use of this medicine. Good Samaritanlike, he has ever since recommended it to any who suffer. Head off an attack of oatarrh by having this medicine at your hand.

DEAR SIX,—I have much pleasure in stating that the Gurney Oxford Hot Water System which you set up in my house in the autumn of 1894 was fully what you represented it to be, and gave entire satisfaction. There was no dust, no smoke, no gas, no leakage, and the air seemed pleasant and agreeable to the following the severity breathe, so that no one had a cough in my house during the entire winter. Notwithstanding the severity of that winter our house was so comfortable that we had to go outside to find if the day was cold, while the quantity of coal consumed was only a little more than we had burned in former winters in one large coal quantity of coal consumed was only a little more than we had burned in former winters in one large coal quantity of coal consumed that are furnace was easily managed, and with ordinary cave the temperature of the house could be kept at any degree desired.
