READ THIS ONCE MORE.—We have made an arrangement with the publishers of Demorset's Magazine whereby we are able to offer our readers De Longpre's water color study "Chrysanthemums," at the rediculously low price of ten cents per copy. The picture is 12x28 idehes in size and is printed in twelve colors. The art publishers both of this country and Europe vie with each other every fall in producing elegant colored art studies but none of them has equalled De Longpre's "Chrysanthemuma," which every reader of this paper can now have by sending his or her name and address and 10 cents in money or postage stamps. None can realise how beautiful the picture is when framed until he has seen it.
