nat to The Warder Y.PS.C.E.—On Wednesday evening, Jan Y. P. S. C. E.—On Wednesday evening, Jan. 13.h, a young people's scelety of christian endeavor was organized in the school room. Thus a step has been taken in the right direction by our young people, who had little or no opportunity previously of pushing on that noble work. There was a good attend ance, the meeting was indeed encouraging throughout. A society of twelve active and eight associate members was commenced with, the one uraging prospects of more in the near fu ure. The officers elected were as follows:—President, Mr. J. P. McFadyen; vice president, President, Mr. J P. McFadyen; vice president Mare Mary Wiltock; cor. sec., Mr. Fred H. ward; rec. sec. and tressurer, Miss Eva T. Hay It was also decided that the meetings should be held every Friday evening, commencing at 7 o'clock.

Sometimes the most careful women are the mest careless. Many a woman bundles herself up, to keep out siokaess—when she is neglect. ing the very worst sickness that can come to a woman, She allows a slight disorder to become worse, to slowly sap her vitality. The little pain and the other slight indications of trouble seem to her unimportant. She goes on, win increasing suffering, until life itself becomes a drag Nervousness, "sinking spells" digestive disturbances, and fifty other complications may arise from the derangement of the organs distinctly feminine. Over thirty years ago, the need for a reliable remedy for so called "female complaints" was recognized by Dr. B. V. Pierce, then, as now, chief consulting physician to the World's Dispensary and I valids' Hotel at Baffalo, N. Y. He prepared Dr. Pierce's Favorite Prescription. he most wonderfully effective remedy that

System to The Warder THE annual meeting of St. Andrew's congravation was held last Thursday, Rey. D. D McDinald in the chair. The minutes of last meeting read and approved of. The various reports shows the congregation to be dotog good work. The officers elected are as follows: - Managers, A. Brown. D McIntyre; A. McEachern, John N. McEachern, J. C Smith, A. McMillian, Charles McArthur; chr. of board, J. C. Smith; treasurer, J. C. Smith, auditors M. McArthur and H. O. Hamili; ushers, D N. Smith and Roderick Grant; caretaker, John MoArthur.

W. F. M.S. held their meeting in the base ment of the church the same day. The amount raised this year is \$107 00 for missions which shows the W.F.M.S. of this place are not tille.

REV. Mr. Potter of Peterboro preached the annual anniversary service last Sabbath to a large audience, both morning and evening.

Mr. Potter is a powerful preacher. On Monday evening following he delivered a popular lecture in St. Andrews church to an overflowing audience. The lecture contained many excellent passages of rheteric wit and humor and was listened to with rapt attention throughout. Miss Watson of Beaverton asstated in the evening. She rendered a solo in good style, which was well encored and cheerfully responded to. The home choir delighted the audience wit cheice music.

What Will You Do?

Will You Risk Failure or Assure Yourself of Success?

If you were dangerously ill, would you call to your assistance some faith cure imposter or a third or fourth rate doctor? If you were obliged to defend yourself in court, would you employ a lawyer without ability or reputation? It, from motives of true economy, von find it necessary to do home dyeing is it wise and prudent to allow a dealer to hand you some make of poor and weak dyes with which to do your work? Common sense and the saving of time and money demand the use of Diamond Dyes, the only make that can bring good

results and perfect satisfaction.

Common imitation package dyes ruin your goods, ruffl: your temper, and waste your money. They would never have a sale or a place in any home were it not for the love of profit so desired by short-sighted and greedy dealers Diamond Dyes are as necessary for effective work as is the able physician when life to in danger.
