ANNIVER-ARY -Services in connection with the Cambridge et. methodist Sanday school were held on Sunday, the Rev. S. D. Chown of Toronto. preaching at both services, in the morning to the children, and in the evening to the parents. On Monday evening the scholars of the Sunday school gave their annual entertainment. So much care and time is taken by the school in preparing for these entertainments that the town has come to look forward to them with expectancy, and as a rule they are not disappointed. The one last Monday night was no exception and before a crowded church the scholars acquitted themselves admirably. Thirty one numbers on the programma would take some space to detail. The recitations were well given, and the little ones who for the first time appeared in public, demon-strated that Lindsay will have no reason to be ashamed of its future talent. The choruses were fairly well rendered. In good voice Master George Henley delivered the chairman's address, and Miss May Stevens read the scoretary's report Both reports showed the school to be in a prosperous condition. The tableau "Help for my sisters" by Mrs. Williams' class was well executed and was very effective in i s eaching. Not one of the least of the numbers was the fancy drill by the intermediate infant class; although the drill was a long one not a hitch occurred and the marching as d lifferent movements were excellent. Too much praise cannot be given to those who took part in the drill. No doubt it will be repeated at some future entertainment. The dialogue "The temple of truth" brought out dialogue "The temple of truth" brought out the talent of the young ladies who took par in it. The other dialogue "Lulu's picture" taught a good moral. Perhaps the principal feature of the programme was "The veterans of Waterloo," taken part in by 25 young men, who were all uniformed as British soldiers with their different officers etc. This piece was put on in three parts, depicting the soldiers camping on the old camp ground; a hospital scene, return of the veterans, roll call, Sir Arthur Wellesley's address to the troops, dying on the old camp ground, "Sweet by and bye" death of a soldier. The whole idea of the effair was novel and was well carried out. We must congratulate Mr. Westey gentlemen while waiting for their horses. All those now in arrears for taxes can save 2 per cent. by paying before the First of February. After the First of February payment of all arrears of taxes for 1896 will be strictly enforced. F. KNOWLSON,

In the Yosemite Valley a while ago, a young fellow went out on the edge of a shelving precipice two thou-sand feet high, and balanced himself on his head. A lit-tle slip or little puff of wind would have sent him to eternity. Not one man in a million would be that kind of a fool. But nine men in ten are all the time taking foolish chances.

There is no deadly peril about a little fit of indigestion or biliousness, and yet if a man allows these troubles to get a hold on him he is taken serious ricks is taken serious risks. Dyspepsia alone seldom
kills anybody; that
is, it only kills you
by inches, and takes
a good many years
doing it. But it
weakens and undermines the constitution so that it is all

tion so that it is all ready to receive and fertilize the dangerous diseases which do kill you outright. Disease-germs won't grow in healthy blood anyk more than corn will grow on a rock. A man who keeps his digestion perfect and his blood pure may eat and drink and breathe diseasegerms, but they gain no foothold. They are cast out of the system. But a man with a dyspepsia weakened constitu-

tion breathes in typhoid or diphtheretic germs and down he goes.

The best health-insurance a man can have is Dr. Pierce's Golden Medical Discovery. It acts directly on the stomach and liver.
It gives the blood-making organs power to make healthy blood. It clarifies the blood from all impurities, and builds up the healthy flesh, muscular power and nerve energy, which fortifies you against disease.

His life-long success in the treatment of chronic diseases has given Dr. Pierce's medicines a world-wide reputation. His "Pleasant Pellets" cure constipation.
