That's Mary! By T. C. Nelson. A pair of laughing eyes, A will the least contrary, A soul for others' sakes, That's Mary! Business vs. the Farm. The Toronto World says: "The late Hon. John Macdonald, one of Toronto's most successful wholesale merchants, some years ago stated that after a 20 years' acquaintance with the career of men entering in commercial life, he had found that sixty per cent. lost all or almost all of the money they put into the business; that thirty-five per cent. got out barely holding their own, or making but little money; and that only five per cent. actually made money." Yet we find scores of young men rushing from the country every day to the large towns and cities under the impression that life in shops or profession, which are equally overcrowded, is easier and more profitable than laboring on the farm. This is a great mistake; it is neither one nor the other. The happiest and most independent man in the country is he who owns his farm and gives his attention to it. The yeoman is the backbone of the country.

Salvation Army Notes. On Saturday, 27th inst., the life story of a salvationist will be musically narrated in 8 songs. Silver collection. The front page of the current issue of the War Cry has a very bold striking declaration of war against the great social wrong which is explained in a great social message which appears Sunday, Feb. 28th and continues two months. A monster banquet and musical jubilee will be held in the barracks on Thursday next, March 4th, at which an old time rally of salvationists is to be held. Major Howell, Dr. Macdonald, Mr. O. A. Howland, Mr. J. W. St. John, Mr. J. H. Carnegie, and others. The meeting adjourns at five o'clock, and those in attendance separated with a stronger determination than ever to promote the spread of conservative principles.—Mail-Enterprise.

A \$400 Robbery. The Ottawa Citizen of Thursday says:—"A big robbery took place between six and eight o'clock on Saturday evening. Some party effected an entrance into the office of the George Matthews' Co., York-st., and breaking open the money vault of the iron proof safe which has been left unattended, containing the cash box, containing some \$400 in cash and several cheques. "Mr. Albert Matthews discovered the robbery when he returned from supper and quickly placed the case in the hands of the police. "Mr. Matthews' duties on Saturday generally keep him busy some time after the others are gone. He has been in the habit of going home for tea at six and returning at eight, containing his keys until finished. Last Saturday was the exception to the rule. At six he left with the other men, and the foreman after seeing that all the back doors were securely closed, looked the front door. "An examination of the premises after the robbery had been discovered revealed the fact that a side door had been opened. In the yard the cash-box was found, so it was plain the thief went out that way. As there were no windows broken in the establishment, it is surmised that the thief, who was evidently well acquainted with the habits of Mr. Matthews, got into the warehouse and then hid himself before the doors were locked at six o'clock."

Little Britain. CONVENTION.—The semi-annual convention of the Christian Endeavor Union of Mariposa Township will be held in the Little Britain church on Friday evening of this week. Addresses will be given by prominent ministers of this district, and papers will be read by local workers on various topics of C.E. interest. The public are cordially invited to attend.

Developing Good Claims. A new syndicate of Roseland and Ontario men has recently been formed, and has bought some valuable properties in this district under the name of the Canada Mutual Mining and Development Company, and has an authorized capital of \$2,500,000. The properties include the following: The Mine, which is situated on the northwest slope of Red Mountain at the head of Centre Star gulch, adjoining the Bine Elephant and Big Trout; the Roseland, a south belt claim, known as the Mayflower and the group known as the Little Giant, which includes the Copper King, Little Vitis, Tillie Hill, and Little Giant, all on Lookout mountain and within a few miles from Trail. Each of the claims owned by this company has splendid surface showings. The company intend to start up three camps at once, each with a large force of men, and to push work as fast as possible. As soon as required machinery will be placed on each of the various properties. It is also the intention of the company to acquire and develop property in other districts. A cash consideration of \$25,000 was paid for the above properties. G. A. Pounder will be the Roseland manager, M. O. Tibbets will be the Toronto manager, and E. F. Kendall at Red Fortage.—The Roseland, B.C., Roseland.

The Proceedings of the government party in the matter of the account in North Ontario are extraordinary. It is significant that, even with everything in his own way in the account, Mr. Graham's majority is reduced to seven—Orillia Packet.

Sports. The Fenelon Falls junior hockey team met the Lindsay juniors in a return match at the Victoria rink last Friday night. The home team proved to be the better, although the visitors put up a plucky game. The Lindsay team was defeated by a score of 7-1 in favor of Lindsay. Mr. Dattell and other Fenelon Falls people came up with the boys. The following were the players: Fenelon Falls: Lennox, Goal; Kilien, Point; Tremoney, Cover Point; C. Gladman, Forward; Taylor, Forward; Hopkins, Forward; Masachen, Forward.

Peterboro entered three teams in the Ontario hockey association this winter. All three were knocked out in the first round. "One thing at a time, and that done well," is better than attempting several impossible things at once. The outings go to Hamilton to play Sarnia for the governor-general's cup on-day. Four rinks of the curlers played in Orillia Tuesday night. They were defeated by a grand total of one shot.

Skating races were held at the Victoria rink Tuesday and Wednesday nights. Tuesday night in the 3 minute class, Tuesday night in the 5 minute class. Peterboro, second; Brady, Lindsay, third place. In the 2 1/2 class the winners were: Brady, Peterboro, second; Brady, Lindsay, third place. In the 2 1/2 class the winners were: Brady, Peterboro, second; Brady, Lindsay, third place. In the 2 1/2 class the winners were: Brady, Peterboro, second; Brady, Lindsay, third place.

Count of Victoria. Adjoined Sale of Lands for Taxes. Whereas at the sale of lands for arrears of taxes held at the Court House, in the Town of Lindsay, on the 16th day of February, instant, I, the undersigned Treasurer of the County of Victoria, failed to sell a number of parcels of land for the full amount of taxes due thereon, and whereas I did at such sale give notice that I would at an adjourned sale to be held on Tuesday the Second day of March, 1897, at 11 o'clock in the forenoon, sell such lands for such sums as I could realize:

Now therefore notice is hereby given that I shall proceed to sell the said lands above mentioned, at the COURT HOUSE, in the Town of LINDSAY, on TUESDAY, the Second day of March, 1897, at 11 o'clock in the forenoon, unless the arrears of taxes due thereon, together with all expenses, shall be sooner paid. Sports. The Fenelon Falls junior hockey team met the Lindsay juniors in a return match at the Victoria rink last Friday night. Four rinks of the curlers played in Orillia Tuesday night. They were defeated by a grand total of one shot.
