DISSOLUTION OF PARTNERSHIP.

EXTRAORDINARY SALE OF CLOTHING Caused by an Important Change in GOUGH BROS.' Lindsay business.

The well-known Clothing firm of Gough Bros. & Co., who have so successfully carried on an extensive business in Lindsay for the past five years, has been dissolved by effluxion of time.

The business has been entirely assumed by Mr. B. J. Gough, the active resident Lindsay member of the late firm, who has purchased the stock and good will, and assumes the entire control of the business in future. Although the old and reliable firm of Gough Bros. no longer retains any share or interest in the Lindsay store, the business under their successor, Mr. B. J. Gough, will continue to enjoy the superior buying advantages possessed by the large syndicate of stores of which Gough Bros. & Co. were members and participants.

THIS CHANGE OF BUSINESS necessitates a peremptory closing of the affairs of the old firm; and to this end an unreserved realization sale has been decided on. The store has been closed for the purpose of marking down the stock, and commenced

On Saturday, April 17th, an imperative Dissolution Sale

will be inaugurated, such as will effectually accomplish the object desired. Unmatchable value will be offered in

STYLISH READY-MADE CLOTHING, SPRING HATS AND CAPS, GENTLEMEN'S FURNISHINGS, Etc.

There can be no question about the high class character of the stock. Most of the goods are this season's Spring importations, bought with all the advantages which the large purchases of our association stores afford in securing lowest prices. No such opportunity has occurred in Lindsay for years for securing New Spring Clothing of sterling quality at prices much below their present regular values. The selling will be easy once you know the prices.

The sales will be conducted strictly in good faith with the public, and buyers can confidently rely on the GENUINE REDUCTIONS as well as the ROYAL BARGAINS to be secured during the limited time allotted for the sales.

COME AND REAP THE BENEFITS, AND COME EARLY, as it is of paramount importance that goods must be sold and converted into money as fast as possible. Unprecedented chances and greater reductions were never offered right on the start of the Spring and Easter season.

B. J. GOUGH

The Wonderful Cheap Man, Successor to Gough Bros. & Co., Lindsay.

Lindsay, April 14, 1897.

MIND YOUR P's AND Q's

P stands for Prices. Q stands for Qualities. Thoughtless folks look at the price. The cautious ones look at quality. They reason rightly—that the cheapest is costliest. Better to buy once at a fair price than twice at prices that can't possibly hold any value. Here are a few of our prices—

POWLES CORNERS—FENELON

Special to The Warbler. DIPHTHERIA.—That dreaded disease has made its appearance in this neighborhood, and has already taken away one of Mr. Oliver Gaspell's children. One of Mr. N. Jeffery's is at present afflicted. It is to be hoped that every precaution will be taken to prevent the disease from spreading.

COLD DIP.—For the month of April it is hard to stand such cold weather as we are experiencing lately. It means a good many dollars out of the pockets of the agriculturists. The clover is all killed out, and the fall wheat may be like a clanged cat—better than it looks.

OFF to the Northwest. Our esteemed friend, Mr. F. Worsley, has gone to the Northwest. Frank will be missed by many acquaintances here.

FENELON FALLS.

From our regular special correspondent. GOOD FRIDAY was observed as a public holiday and passed very quietly. Services were held in several of our churches, and as the day was stormy the way-layers were few. But Easter Sunday was not out to enjoy the glorious weather.

EACH week a number of men go north to work among the logs, waiting anxiously for the opening of the water communication. The ice in Cassara lake broke and came partially down on Saturday, and the strong wind of Sunday brought the remainder down.

CAMERON

Special to The Warbler. THE teachers are all home enjoying their Easter holidays.... Our teacher, Miss Campbell, is visiting Hartley friends.

SEVERAL in our neighborhood are on the sick list. The spring work has been hindered by the severe weather. THE fall wheat is in a rather doubtful condition and it is feared it will be a heavy loss to those who have sown it.

MR. M. PERRY is fixing up his residence. MR. OLIVER GLASPELL'S little girl, four years old, died at four o'clock on Monday morning. Diphtheric croup was the cause of death.

MANILLA.

Special to The Warbler. SICKNESS.—Mrs. Malcolm McLean who has had an attack of that grim monster la grippe, we are pleased to see very much better.... Mr. Glasse Edwards who was thrown from Mr. Geo Douglas' platform and severely injured, is rapidly recovering under skillful treatment.

PERSONALS.—Mr. Geo Pearce of Seagrave, spent a few days under the parental roof last week.... Misses Kate and Lydia Ockenden spent their holidays with friends in the city. Mr. Geo DeLary of this place spent Sunday with his brother, A T DeLary, dean of the college, Toronto.

WE regret very much the loss of our friend Mr. E. Perry, who we hear intends taking up his abode in Lindsay as a baker. Success. Excuse in your new undertaking is the wish of all Manilla.

QUERIES.—Who were the young men that started for Lorneville last Sunday, missing their way and reaching Lindsay Tuesday evening?.... Why has not the slightly dollar the same purchasing power in Manilla, as it has in some of our neighboring villages? Why do people send their cash to Toronto and Lindsay and neglect to pay the merchant and business man that gives them credit? Why don't our business men and merchants do a cash business the same as Toronto men do?

Y.M.C.A. Notes.

As soon as the ground dries the boys purpose to start practicing foot ball. They intend to develop a good strong club this summer.

We would ask all readers to remember our men's meeting on Sunday at 4 15. Every body is invited, whether a member of the association or not.

The association purpose giving an 'at home' in Dr. Clarke's home, on Friday, April 30. There will be an excellent programme, also games and refreshments. This is the event of the season and no one should miss it.

In answering to the alarm sent in Monday night, coming out of the fire hall the salvage wagon caught on the door and pulled it off its hinges. The present place is crowded for business as a fire hall; the place is crowded for space and in case the hook and ladder truck was required in a hurry valuable time would be lost in getting it out. Before being used as a fire hall, the place was a store room for clothes and although we think we stored there, something the 'at home' is unobscured.

Two tramps have within two weeks applied to the local constable for a night's lodging in the township jail; but they could not get it.
