## SOLID REASON Why We Must Have the Goods Go:

Dissolution of the Business!

2. Removal to New Premises!

Our Big Dissolution Sale will continue for 30 days longer. People will realize how necessary it is for us to get rid of the goods, when we say that in addition to the requirements of closing up the interests of the late firm there is the imperative call to clear stock before removing.

We go to our new store, Dobson's block, corner of Kent and William Streets, as soon as they can be made ready. Our removal illustrates the growth of the business. Its growth means satisfaction of customers who have brought trade to its doors.

The new store will fill a larger trade and handle a larger stock. Our friends need not fear that under the new auspices Mr. B. J. Gough will be less able than in the past to do his share as a successful buyer and seller, for he still remains a member of the buying syndicate of Gough Bros.'—buying for eight stores—the largest Clothing syndicate in Canada. COME AND SEE.

The motto will be: "Spot cash, and your money back if the goods are not as represented." You can't judge of the values we offer unless you come and see the goods for yourselves. COME AND SEE.

You can find your neighbors buying at our counters, and saving money by it. So, too, can you.

We cannot afford, for the sake of our reputation, to have any but the best and latest clothing. We must offer it at the lowest prices. This we do. COME AND SEE.
