The Coming of Baby.

When a baby comes to the house real happiness comes. The care and anxiety count for nothing against the clinging touch of the little hands and the sound of the little voice. The highest function given to human beings is bringing healthy, happy children into the on lot No. 1, Burnt River. world. Over thirty years ago the needs of women appealed to Dr. Pierce, now chief consulting physician to the Invalida' Hotel and Surgical Institute, of Buffalo, N Y. The result of his study improved by thirty years of practice is embodied in Dr. Pierce's Favorite Prescription. It strengthens, purifies and makes healthy the organs distinctly feminine. It gives weak women the strength and health necessary for the production of healthy children and it makes the bearing of those or derangement peculiar to women; stops pain, soothes inflamation, strengthens, puri-fies, invigorates.

MILLIONS OF PACKETS.

Millions of packages of Diamond Dyes are used by the women of Canada every year. The sale of these household friends is increasing so fast that at times the manufacturers have difficulty in filling the orders that pour in from the wholesale and retail trade.

The enormous and fast increasing consumption of Diamond Dyes indicates immense popularity, due of course to quality, strength, brilliancy and fastness

Diamond Dyes give colors that last till the materials are worn out. Every color is true to name, the results are always pleasing and satisfactory, and they are sold at the same price as the common imitation dyes.

When buying package dyes for home dyeing see that your dealer gives you the Diamond Dyes, the only guaranteed dyes in the world, the only colors that give you value for your money and time.

PENIEL-MARIPUSA. Apseigl to The Warder.

THE Sunday school anniversary of this place passed off with the usual good success, notwithstanding the inclemency of the weather. On Sunday afternoon, 30th May, Rev. Mr. Real of Woodville, preached an eloquent sermon to a large congregation, which filled the church from pulpit to doors, and on Monday, the 81st, the church was again rapidly filled by in. terested people. Mr. Bowes of Lindsay, (formerly our superintendent here) took the chair and with a few appropriate remarks, opened the afternoon entersainment, which consisted of recitations, dialogues, instrumental and vocal music by the scholars. Miss Bowes, elecutionist, of Lindsay, assisted with some choice selections, and with a short peroration from Rev. Mr. Real of Woodville, closed the afternoon session. The people then retired to the shed which were imbellished on the outside with evergreens and on the inside with well laden tables which ground under all kinds of delicacies from the most digestable to the most indigestable. After all had done justice to their appetites they retired to the church again for the evening's entertainment, which consisted of an eloquent and instructive lecture on "The Convict," delivered by Rev. Mr. Harris of Beaverton, and judging from the applause he received it was highly appreciated as also were his solos. Our choir maintained its usual reputation shapughout the proceedings, and turnished very fine music. The meeting closed by singing the Doxology.....On Wednesday evening, June 2nd, a social was held to finish the eatables left over from the anniversary and a short concert was given from 8 to 10,30, which received applause

after applause. Notes .- The interior decorations of the church reflected great credit to Peniel ... The Misses Langford and Love deserve special mention for the way they per-formed their duties in training the scholars.

HOT WORK AND LONG HOURS.

Practical bakers are so exposed to extremes of temperature that it is not surprising that they often suffer from kidney and other troubles. In many cases their work at night confines them in a heated atmosphere for hours, from which they sally forth through the cold night air to their weil-earned rest.

Mr. George Roberts, baker for Mrs. S. Ranahan, 257 Dundas street, gives us the following facts: "I have suffered so much for the past fourteen years with kidney disease that it gives me pleasure to tell of my changed condition for the better. I had fearful pain in the back and right side; the urine was red in color with a reddish sticky sediment, with brick dust deposit. At times severe pain in the region of the bladder, causing me great suffering and discomfort. Appetite very poor, and much troubled with sleeplessness at night. I felt tired and worn out all the time. became a drudgery; it was an effort to do anything. I was low spirited and discouraged. Hearing of Doan's Pills I went to Mr. W. T. Strong's drug store, London, Ont., and got one box. From the first dose I commenced to improve, and now my back and side are all right; the urine is natural in color; side are all right; the urine is natural in color; the sediment has disappeared; I have no pain of any kind; rest well; appetite has returned; I am stronger and better in every way; for the first time in many years I now feel that life is worth living. Doan's Kidney Pills have cured me of my long standing complaint, and I am pleased to acknowledge what they have done for me. I have not taken more than two boxes of the pills and the result is as I have stated.
