## GOUGH'S POLICY OF PROGRESS.

# GRAND INAUGURAL OPENING OF GOUGH'S NEW HOME

We've taken a step upward and a move forward. After weeks of preparation, of remodelling, refurnishing and improving, we are now located in our new, attractive and commodious premises, right in the centre of Lindsay's busiest mart, splendidly situated

On the Corner of Kent and William Streets;  
Dobson's well-known old stand.

There's nothing new in the story that this store had to move into larger quarters. The growing demands of our business required increased accommodation, and the same far-sighted policy which has made this business constantly bigger and vastly better compelled us to plan ahead to build up a bigger business still.

**Gough's Business hasn't Jumped Ahead by Chance.** We've mastered all the strategetic points by persistently selling reliable goods at persistently lower prices. We clothe the people for the smallest profit to ourselves.

IN OUR NEW HOME you will find the same policy pursued on a larger and more systematic scale. The biggest stock of Clothing, in styles the latest, is to be found here, where you can look at them at your ease. The brightest, choicest, newest things in Men's and Boys' Clothing. Hats, Neckwear, Underwear and Furnishings find ready expression here. Better light, better system, better accommodation, better everything, with the money-saving register in operation all the time. All goods marked in plain figures, and sales strictly for cash. If the goods are not as represented we will refund the money.

**A GOOD STEM-WINDING WATCH GIVEN AWAY. FOR ONE MONTH WE WILL GIVE AWAY WITH EVERY \$10 PURCHASE, MADE AT ONCE, A RELIABLE STEM-WINDING WATCH. EVERY PROMISE FAITHFULLY CARRIED OUT BY**

### Canada's Greatest Celebration of the Jubilee Year.

Fully alive to the times the management of the Toronto Exhibition, or as the title runs this year, "Canada's Great Victorian-Era Exposition and Industrial Fair," is to be conducted on a scale, from August 29th to September 11th, that will even transcend any former effort made to promote this, the most popular, most comprehensive and most attractive annual show held on this continent. Already a sufficient number of applicants for space and of notifications of entries have been received to warrant the highest expectations. The management have increased the number of medals to be awarded and have made many improvements to the buildings and grounds, showing that they are resolved to leave nothing undone that will enhance the pleasure and comfort of both patrons and exhibitors. They have also determined on a special feature that promises to prove the greatest outdoor spectacle in the way of entertainment that Toronto or any other city has ever known, outside the world's metropolis itself. This spectacle will take the form of a reproduction of the wonderful Diamond Jubilee procession in London. Agents are now across the water hiring and buying the necessary properties and costumes, which will be an exact replica of the uniforms and costumes worn by the soldiers, the sailors, the nobility and the women of the guard in the magnificent procession at Buckingham Palace. St. Paul's Cathedral and other places along the line of route. Many interesting specialties will also be produced, while at night the effect will be heightened and magnified by brilliant illuminations and gasolines. Not only will spectators have brought home to them the grandeur and unity of the empire, but they will be practically taken home to Old London. While dwelling on this grand feature the material aspect of the Exhibition must not be lost sight of, therefore it is well to mention that entries of live stock, and the majority of the departments, close on Saturday, August 7th. Programmes containing all details of the attractions will be issued about the 10th of August.

### FENELON FALLS.

From our regular special correspondent.  
A large number of citizens enjoyed Thursday, 22nd, at Sturgeon Point, the occasion of the civic holiday of the charming summer resort. The Greyhound was crowded, the Nona Roy, ditto, and a large number drove, wheeled or paddled down, and all parties report a most enjoyable day.  
Our local post office has been very much improved by a new floor, which was badly needed and hence gratefully received by the public at large.  
We are pleased to be able to state that Mr. R. B. Switwater will in a short time erect his large photograph tent in Fenelon Falls. The success which attended his efforts last summer are sufficient to warrant him in expecting a similar harvest this season. His tent is fitted with every late convenience for his work, and as he intends to issue catalogues at \$1.50 per dozen the public will certainly reap the benefit of his undertaking.  
A large number of campers from a neighboring hamlet passed north on Saturday evening on the Dawn. We sincerely hope they are enjoying the delightful weather of this resort.  
It has been mildly suggested that our local druggist employ an expert if a certain practitioner continues to indulge in Egyptian hurogryphics.  
Mr. W. Lockhead, son of the Rev. W. Lockhead of Brantford and formerly of Fenelon Falls, spent a few days this week renewing old friendships. He was the guest of Mr. Wm. Campbell and was warmly welcomed by a large number of friends.  
Mrs. J. D. Naylor of Fenelon has been the guest of her daughters, Mrs. H. Smith, for a couple of weeks.  
**A MARRIAGE LICENSE FOR \$2.00.** at Higman & Co's jewelry store, 62 Kent street, Lindsay.—17-ly.
