TEAS!

We beg to announce to the public that we are fairly launched on our new enterprise, and that the balance of our Grocery stock is about sold out.

Our determination to give our undivided attention to TEAS AND COFFEES

has already met with a success far exceeding our most sanguine expectations.

When our new Teas arrived they excited much wonder and astonishment, and considerable comment was indulged in as to where we were going to find room for them.

We are pleased to say, however, that our success in disposing of them has been so great that we have now room for a

DUPLICATE Order of Japans part of which has just arrived, and a large invoice of

NEW HYSON AND BLACK TEA, which we expect will arrive this week

While we have already disposed of large quantities of Tea, there are many of our old customers at a distance whom we have not yet seen. We can assure them that the quality of the Teas and the reputation they are already winning will be maintained.
