O R.T.S.—The regular monthly meeting of the Church of England Temperance Society, held on the 3rd inet., was in spite of the unfavorable state of the weather a success in point of attendance, but exceptionally so as regards the excellent programme rendered. After the reading of the minutes of the provious meeting and a short discussion upon matters relating to the working of the society, the programme opened with the enthem—"Praise ye the Father" by the choir, which was well rendered. Miss Della Jewell was loudly applended for her appropriate temperance recitation, and was followed in a song by Mr. J. L. Duneford, in his usual happy style; Mr. J. H. Knight gave a good reading; "speed Away" by the high school Olee Club was an exceedingly good effort, and was heartily encored, and the club in response using the chorus "Ubidee," The president then introduced Mr. W. H. Hoyle, of Cannington, the speaker of the evening. This was the first occasion we believe in which Mr. Hoyle has ever addressed a Lindsay andience, and we only voice the feelings of all those who had the pleasure of hearing him on the evening of the 3rd, when we say that we trust he may soon again return, when we promise him a much larger audience and as hearty a welcome. The address which lasted for fully one hour was an able and eloquent effort, and the best exposition of the duties of temperance workers from the scriptural standpoint that has ever been delivered before a Lindsay audience. The illustrations and ancedotes were very pointed, and were proacsted in the happiest manner. Mr. Hoyle proved himself one of the ablest platform speakers we have in this district. As excellent reading by Mrs. Sonnes and a chorus by the high school cite, brought the programme to a close. A hearty vote of thanks was tendered Mr. Hoyle for his able address.

GOOD NEWS.

THE SONS OF ENGLAND will sttend divine service in St. Faul's church, on Sunday morning, May 20th. The St. George's Society are cordially invited to join them at their rooms 10.45 a.m.

Here is good news for all you people who know the value of a dollar. Stand up and tell us if you can where lives the man or woman who is not anxious to get the most in quality and value for every dollar they spend. Such people do not exist in this community, therefore we have something to communicate that is of great interest to you all. We want money, and we want it badly, in fact, we want it so badly that we must have it. There is only one way we have of raising it, we have our store chuck full of Bright New Goods, everything new, no old motheaten stuff that would be dear at any price. Enough said, a wink is as good as a nod to a blind horse. You want the goods and we want your money, and what is more, we are prepared to offer you greater inducements to spend your cash with us than you can possibly get elsewhere. We say so plainly and we mean what we say, we want money and we want it badly, and we want it as soon as we can get it, so that in making your spring purchases the quicker you avail yourself of this opportunity the better selection you will have. We only offer this

special inducement until the 15th of May.

GENTLEMEN

You can't be decent without clothes. We mean clothes, not covering. Any ignoramus can cover you with botched cloth. It takes an artist to clothe you. Our strong point is we clothe you, we give you taste, we give you style, we give you fits. Let us only cut your clothes and you will never cut us. Our Mr. Cathro is still at the helm of the Ordered Clothing Department. Ready-made Clothing for men, Youths' and Boy's at prices low enough to please. We start the price of boy's clothing at 98 cents Mothers just think of it, you can buy a suit for your boy from 5 to 10 years of age for 98 cents. Great Ceasar, just think of it, if the price goes lower your boys will hardly be worth raising. Youths' suits from \$3 up, to fit boys from 10 to 14 years. \$3 for a coat, vest, pants and braces, boy's just think of it, for \$3 you can buy yourself a suit. The question then comes up can you afford at these low prices to go shabby. Certainly not, if you are worth raising you won't, and the quicker you give a pointer to the old folks that clothes you must have is an indication that your backbone is about where it ought to be. Men's ready-mades we have in all qualities and prices from \$4.50 for a full-grown suit.
