They have leased for a number of years the old gallery so long occupied by Mr Scott; they have renevated it throughout and have supplied it with new furniture and instrubulets, and they are now prepared to do work equal to any city work. They are the leading thomseaphers of Lindsay; they have the experience and everything else that enables them to lead. They use the so-called new process, lightning process, the instantaneous process, and every other process required to do first-class work. We would advise all persons cauning a first class photo of themselves, their friends, or their children, to call on Fewler's Co. They have as ulce scenery as will be found in Canada, and theirs is the only allery on the main street. They make a specialty of Children and Large Photos. Call and see their samples.
