MASSACHUSETTS. The moonlight excursion under the auspices of the Y.M.C.A. on Monday evening was largely well attended. There being between 100 and 150 persons present. The trip to Sturgeon Point and back was a very pleasant one. Prof. Humphrey entertained a large number below deck with music. The Y.M.C.A. hymn books were distributed through the crowd and several familiar hymns were sung. The best stopped two minutes at Sturgeon Point, where two large boats were kept waiting for the amusement of the spectators. The moon rose in time for the return home, and "moonlight on the water" was sung by everybody. The next evening a very large party of about half past twelve and every person pronounced the trip a very successful one. The organ used on this occasion was from Mr. Wetton's warehouse.

W. J. KING, secretary of the Y.M.C.A. has made a brief visit to Lindsay, in the evening of this week, to visit his parents and see old friends. The following from the Victoria Times, will be read with interest by his many friends in Lindsay. "Mr. W. J. King, secretary of the Fort Hope Y.M.C.A., has returned after his visit to Lindsay. He has had a very successful trip, and has met with many friends in his old home town, and has returned to him a warm welcome back. We are sure that he has acquired much knowledge in the field of athletics as he has been a member of the athletic team of the Victoria High school for several years. The Victoria Times says: "The 100 yard dash was first, in 12 1/2 seconds, with T. T. Newby second. Mr. King received from A. C. Chapin a special prize of 5 cents for running very fast time. A 200 yard dash for contestants putting the 10 lb. shot. W. J. King and C. F. Howard won first and second prizes respectively, King putting a 35 foot 7 inches. Messrs. Some excellent shooting was made and several prizes were won. In the "Macdonald" match Major Hughes took first prize, with 39 points out of 45. Staff Sgt. Sylvester followed close with 33; Staff Sgt. Robinson 27, and Mr. Oliver 24. In the "O'Brien" match Williamson and Hughes both were in, with the other close following. In the "Gordon" Oliver was well up. THE WARDER THANKS THE HOWMANVILLE SW for kindly setting its meeting contemporary right last week. The Stationer editor is not a bad fellow, in some respects, but he needs to broaden his narrow "gaze." THE WARDER has had many chances to give him a "left-hander" and never yet did it. Yet he never misses a chance. His letter the comic of the funny is indeed delishious. The editor of The Sun on the contrary is ever witty and square. Friend or foe knows exactly where to find him.

Lindsay, July 4, 1898.—1592.

The Cheapside of Lindsay invaded.

Thunder all along the Line. Let it Rumble. Let it Roll.

McGAFFEY

with his double front is always ready equipped for the enemy when they invade the camp, and no matter how famous the assailant, or how keen may be their efforts to wrest the prestige won by the founders of the great Cheapside of Lindsay, it requires better ammunition than we see in the hands of our enemy. We say to the people of

Lindsay, Ops, Emily, Mariposa, Fenelon, and to the sturdy Scotsmen of Eldon, COME ON! We are more than ready for all comers. See our bargains in every department. Our shelves are groaning under the weight of new goods for the present and incoming season, and if buying in the best markets and selling with the least profit compatible with business honesty and justice to our contemporaries is a guarantee of what we can do, we are there every time. We draw special attention this week to our DRESS GOODS, which we offer at special prices for the next two weeks.

Our 2c. Cotton is a marvel of cheapness. Our 10c. Grey Flannel leads the van. Our 50c. Silk Plush in all colors must be seen to be appreciated.

It has been our motto to keep faith with the public. We have never advertised a bargain or represented an article to be cheap, but what our friends and visitors have always gone away with the impression that when the founder of Cheapside gives a bargain it is a genuine article. When we came in your midst a year since, a few wiseacres predicted it a bad move for us, but we are pleased to say (not in a boastful spirit) our success has been much beyond our expectation.
