About two o'clock in the afternoon the white feather. All credit is due Captain it appears Bruin was disc vered—on the Crandell for the manly stand he took in the fence surrounding a small piece of woods erj ying a delicious feast of fruit from the

town and drive the poor man and mechanic proceeded to notity his nearest neighbors of out of it, in order, I think, to swell the presence of so hearty but unexpected a guest. On the road he met Mr. Henry Puris, the on being made aware of Bruin's presence returned at once to his home for his gun, and on his way notified Messrs. Oliver and John The party, fully equipped with shot gun

Not having his gun with him he allowed

ate explanation why thus a invited soi unceremoniously he was "reaping where he had not sown," and in default of the same \$500 to the test well and then they gave the bruin; and by this time, having thoroughly

enj ved himself and not in a mood to have on such men. If it was their own money his privacy thus rudely intraded upon, cast a savage look on his interviewers, and with a low and ominous growl walked off across the charged for small game) Mr. Oliver Drew was resolved to intercept Mr. Bruin by skirting the woods. He succeeded in so doing, and at a distance

as instinctively he scented danger and prepared himself for the fray. His antagonist was, happily for himself, equal to the occasion. Gripping his rifle tight Mr. Drew dropped on his knee and took steady aim. Bruin did not quite like this determined attitude, and in a tatal moment while advance Anniversary.-The anniversary services ing presented his side to the enemy. This in connection with the congregational church was the supreme moment. Mr. Drew realized

Vancouver is the eastern terminus of the regular line of China and Japan steamers.

Vancouver is located on the only tide water harbor in British Columbia accessible from the interior.

Vancouver is the natural trade centre of the entire province of British Columbia, covering an area of over 300,000 square miles of territory and rich in all the resources of a great country.

Vancouver's growth has been unprecedented.

Vancouver's still forging ahead and Vancouver is still forging ahead and vancouver is still forging ahead and vancouver must become a great city.

Sept. 9th and 10th. On Sunday three services, commencing at 10.30, 2.30, and 6.30., will meet as toward his slayer, but only to fall dead, shot through the lungs and heart.

The other spertsmen were soon on the ground and viewed the prize with great satisfaction. The size of the bear will be understown and rich in all the resources of a great country.

Vancouver's growth has been unprecedented.

Vancouver is still forging ahead and vancouver is still forging ahead and did match may undoubtedly be expected.
