Special to The Warder. TRAMPS. - As a prefix to the following format help saying that the itinerant tramp is one of the greatest pests society has to contend with. A few mornings stoce a teamster of the above village repaired to his stable as usual to attend to his horses, when to his surprise he found his team without their night clothes, which were nowhere to be seen. Unable to solve the mystery he proceeded to feed onte from a bin in the stable, but failed to do so at the time in consequence of a cold chill that ran down his back on up before me I notice." On being questioned where he had come from, he tritely realised "I've got no come from," but being threatened with our respected village constable he admitted he had been east and got "badly mixed" in the swamp. Should any such cool audsoity

be attempted again Mr. S. Fisher, our custodian of law and order, will promptly introduce him or any of that persuation to Mr. Sherp, J.P., who no doubt will give them a healthy lecture on the Wood. It is expected as soon as the nights are longer the meetings will be reand after some scrambling Mr. McMillan newed on a larger scale, but we believe the place of meeting has not yet been determined upon. The basement of the Free church, when it was first organized would be a very convenient place, it would besides add very much to the purity and importance of the occasion and the means of effecting a great deal of good in a moral and political sense. We rust this will not be overlooked by the arties most interested in the spread of over Woods' tinshop, Mr. W. Galbrath, secretary.

Sons of England and third Wodnesdays of each month in Baker's block. Mr. J.

L. Dunsford, secretary.

L. Dunsford, secret noh principles as are gromulgated by the Patent Combination, who have so successfully led the liberal party of the county, and made the name of Oliver it is whispered about among the knowing nes that the president of the club is Fring fitted up as a political Galloway to of the reform association, if Mr. President Ayers could be induced to call them together for such a purpose. But we can assure the club no prize will be off-red for such a breed, nothing so flat in the head and short in the horn will be accepted, nothing having so many points in common with a jackase, will in future receive any attention. It is to be hoped before such a precious nincompoop will be be allowed to disgrace the party, the

eformers will set upon the Patent Combination, and open their show to all comers worthy to get a prize. If someing of the kind is not done, so thercaghly disgusted have the party because that it is no more than doubtful if a convention was called, not twenty-five induced to attend it. Even Squire Ayers would not truet himself to be again Ayers would not true timeen to be agent bare boosled by such a crowd, made up largely of men of such siender capacity that they could not discharge the duties of a pound keeper, but having by their inconsiderate neighbors been pitchforked into the municipal council, fancy they are now fit for legislators, and not wishing their light to be hid, are taking every means in their power to secure a nomina-

means in their power to secure a nomina of a cold chill that ran down his back on finding, in addition to his pair of oats, that he had lifted a human foot and leg to an angle of about 45 degrees. The teamster, as may be exceeted, offered appearing the well, we will say a short prayer, which had the effect of arousing his trampship, who calmly sat up and commenced rubbing his eyes, remarking as he returned the horse blankets: "You're up before me I notice." On being questioned who are he had come from, he tiened who are he had come from, he in the way of giving him an undecerved elevation would not now be scattered. The truth is, he used the reform party for the advancement of his own private purposes, and when they had been secured he handed it over to the hecters, who have been only successful in making fools of themselves, and the party they intended Miedical Cards.
