the windy day, or dry day, but what

The shows extracts show Senstor oberthis inst, and for a time it looked man's object to be the political absorp-"The way to union with Canada is not Covernment is to tender freedom in trails and interesurab." tlement of the North west territory, the Louisians and Florida purchasos, the annoration of Toxas and the acquisition from Moxioo are examples of the adaptation of our form of government for ex-

on to say that the absorption of Canada "oan only he accomplished by the free and hearly assent of both peoples; any force need will deleat the object we have in view, It can only be approached by good will and interconres." This man is nonest and outspoken. He is trying to entite us by kindly methods to amexication, which would be the annihilation of Dander and course the course of the annihilation of the course outspoken. Canada as a nation; but does not his whole aritiment prove the absolute corenstages of the view I took of Commeretal Union at the Imperial Federation nesting, and focs it not prove that his corperator Wiman, being a Canadian, was acting the part of a traitor in trying to betray his native country into a course which could only and in piscing it absolutely in the hands of a foreign and hose.

Intely in the hands of a foreign and hose.

Since the Imperial Federation meeting is nearly always induced by neglecting to keep the remarks upon the hostility of the United States to Canada have been amply vindicated. We see now the two great political parties vicing with each other in their country to Canada, by pandering to the hostile feeling that must be widespread and violent to necessary that must be widespread and violent to necessary that must be widespread and violent to necessary that must be widespread and violent to necessary. ond, its influence. I hope all this, and Sensy tor Sherman's frank and open expressions, will open the eyes of my tellow country into. The manly, self-reliant spirit of entry people has been most atriking. The Dominion is being last welded into one, We need not fear the result of commercial war. Cauadians are evidently ready to make any anoriflees for Osnada, but if Canada is to be a nation she must make herself independent of the United States; she must complete her own routes of transport; she must open channels of transport; she must open channels of trade with other countries, and she must have confidence in her future.

One greatest danger will be in the inc.

Our greatest danger will be in the instatons "triendly overtores" of the United and Canadians will not forget the lesson Senator Sherman has faught them.

Yours, elect. Denison. Perente, Sept. 20th.
