GOLDEN FLEECE.

\$12,000 - WANTED

BY 15th JANUARY, 1889.

Owing to a change in our business which takes place next 15th day of January, we have got to reduce our present stock of \$20,000 to \$8,000, and in order to do so we will commence on 1st November to sell our stock of

Millinery, Silks, Dress Goods,

—AT—
What they Cost Wholesale.

We have a large stock of
Men's and Ladies' Fur Coats
which run into a great deal of money, and if you require one this is an opportunity that you get once in a life time, as the goods have to be sold by 15th January. The earlier you take advantage of this the better for yourself, as our stock of

FLANNELS, TOWELINGS, TABLE LINENS, TABLE NAPKINS, SHIRTINGS, TICKINGS, ETC.

is now complete, and we will not be buying any goods after this date. Our stock of

BLACK AND COLORED SILKS

are of the very best makes and our DRESS GOODS, BLACK CASHMERE, MELTONS, WINCEYS, etc., we bought in the very closest markets. The first time you are buying give us a call and we will convince you by the prices we will quote that this is a real genuine sale and

All Goods will be Sold for Cash Only.

as we have got to raise \$12,000 by 15th January next. You may think this is a scheme we have got up to make a sensation as our town is full of such—such as bankrupt stocks, schemes, etc., to draw the wool over people's eyes and make them believe that they can buy goods cheaper than what they were manufactured for, but if you want to buy good, reliable goods at wholesale prices, you do not want to let this pass without taking advantage of it.

THE Sylvester Light Steel Binder

VICTORIOUS

First Prize and Diploma competing against the Toronto, Brantford, and Noxon Binders. Its success in the field last season and also at Exhibitions this fall is conclusive evidence of it being the best Binder on earth.

It has more good points than any binder made. This binder fulfills the promise and fulfills every lever is strong. The driver has no control of the machine and every lever is strong. It is a two horse power binder and a child with strength enough to handle a team can run it. It will do any good thing that any other binder can do. It is a home manufactured machine, which every sensible farmer should consider the advantage in purchasing. Please refer only to one of these reliable machines and save the annoyance of being harassed by agents, and probably give your order to them for a machine you will not be sorry for afterwards. Ask your neighbors how our New Steel Binder suited them last season, and take their advice. Call and examine our machines for 1889.

Mr. MacMurchy's Reply to the Post.

To the Editor of the Canadian Post.

Sir,—You will allow me to reply briefly to your criticisms on my letter to "School Trustees Disqualified" in your last issue.

1. The Chairman of the Building Committee was my authority in the first instance for the assertion that "the contractors, either individually or collectively, had not authorized or requested the Board or the Committee to effect the insurance upon the new building."

The priority of having the insurance promptly attended to at the proper time was referred to at a session of the committee. It was deemed prudent to have it done—nothing more. Neither upon the occasion of the applications being completed through the chairman of the building committee is that gentleman aware of any request or authority from the contractors, or a wish even on the part of the Board or the Committee, to effect the insurance upon the new building. 2. As to the note from Mr. Isaac McNeely, one of the contractors, endorsing Mr. Connelley's letter to you as a guarantee of good faith, contains the following: "But the dates and conversation you refer to I can neither affirm nor deny, nor do I pretend to have in my mind a record of conversations on such a subject as this. I am sure that when a contract is made, I write it and save thought over it. When Mr. Connelley called on me in MUCH HASTE, I had no idea that what I scribbled down was going into print, or I would have been more careful. In the face of the evidence I have submitted, I accept the "very ridiculous position" in which you assert "the reliable source of information open to me" has placed me."

3. The names of Messrs. Connelley and Taylor were not mentioned in my letter to the Educational Department; nor was it stated that these gentlemen had "monopolized" the insurance on the new Collegiate Institute.
