Cat Out of the Bag

We have more goods and less money than we ought to have at this season of the year. There is only one way out of this awkward dilemma and that is to sell the goods for what they'll bring regardless of profit, which is exactly what we'll do, providing you bring the cash—for it is money we want—We must raise \$10,000 before the 1st of February, and the only way we can do it is by selling our goods at prices that MUST and WILL demand the attention of cash purchasers.

We have a \$25,000 stock to put under the hammer—all bright new goods and bought on the very best terms. Our stock, as everyone knows, is first-class in every respect. This sale will be conducted extensively for CASH. Our departments are Staple and Fancy Dry Goods, Millinery and Mantles, Ladies' and Gents' Furs, Haberdashery and Notions, Gents' Furnishings, Ready-made Clothing and the City Merchant Tailors of Lindsay. We would ask all those indebted to us either by note or book account to call and settle before the 15th of January if possible, and to those who have accounts against us to please present them for payment before that date and between now and the 20th of January. We trust you will avail yourselves of the sacrifice we are obliged to make, in order to raise the money we require.

A FINE HOLIDAY DISPLAY

GREAT BARGAIN STORE.

Do not fail to take advantage and taste of the good things before it is too late.

Come and see the stock of CLOTHING and FURNISHING GOODS we are sacrificing

You have altogether the best of our cut in the prices, we begin to see it now. The winter longed for has come and all we can get out of it is a loss of profits, with the winter early, crisp and snappy, we might have been making money. The warm weather of the last 6 weeks has been discouraging to the clothing trade. We are not going to wait till February to make a clearing sale.

WE ARE DOING IT NOW

The cut in prices is extraordinary, the clothing is uncommonly good. It is an unloading sale that will have a long memory and help to make an easy, comfortable winter for you and thousands besides.

Come and look at the display of Cloaks, Come and look at the display of Silks, Come and look at the display of Hosiery and Underwear, Come and look at the Dress Goods, Come and look at our Handkerchiefs, Come and look at the Towels and Blankets, Come and look at the Gloves and Corsets.
