Cat Out of the Bag

We have more goods and less money than we ought to have at this season of the year. There is only one way out of this awkward dilemma and that is to sell the goods for what they'll bring regardless of profit, which is exactly what we'll do, providing you bring the cash—for it is money we want.—We must raise \$10,000 before the 1st of February, and the only way we can do it is by selling our goods at prices that MUST and WILL demand the attention of cash purchasers.

We have a \$25,000 stock to put under the hammer—all bright new goods and bought on the very best terms. Our stock, as everyone knows, is first-class in every respect. This sale will be conducted extensively for CASH. Our departments are Staple and Fancy Dry Goods, Millinery and Mantles, Ladies' and Gents' Furs, Haberdashery and Notions, Gents' Furnishings, Ready-made Clothing and the City Merchant Tailors of Lindsay.
