Mr. Cole and the executive committee of the association are in correspondence with some available men, and it is expected by the 1st of February the new secretary will be at work in Lindsay. We wish the association every success in this new departure, and bespeak for them the sympathy and support of the citizens in this worthy undertaking.

PRESENTATION.—On Friday evening last Mr. and Mrs. McLenan invited to their residence, Bond St., the members of the choir of St. Andrew's congregation and also the teachers of the S. S. During the evening the members of the choir and the teachers of S.S. presented Mr. F. F. McPherson with the smallest picture of their own and sister, the three other standard works. The good wishes of all present for the success of Mr. McPherson in his new sphere of work, as well as their thankfulness and the thankfulness of the entire congregation, were expressed by Mr. McLenan in a well chosen address. The people of St. Andrew's feel that they are in the department of Mr. McPherson losing a good worker. He was always ready and willing to do what was in his power to advance the interest of Christ's work, not only in the church but as well in the Y.M.C.A., of which he was an active member.

THE PEOPLE'S THEATRE.—The revival of the old-time Swiss Bell Ringers at the People's Theatre last night carried out back many hearts to the days of light amusement. The house was full, every seat being taken when the curtain rose. The performance on the bells was rewarded with recalls at each appearance. Mrs. Smith gave a charming concert solo and was successful. A quartet was also a new and novel feature. The musical glasses, crockery duet, harjo solo, character songs and waltzes of the day were well received. The evening closed with Humpty Dumpty, in which several new features were introduced. The company remains during the week.—The Leader and Herald, Cleveland, Ohio. The above Coy., will give two performances at the Opera House here on Monday and Tuesday, Jan. 14th and 15th.

D. O. and F. Co., BAND CONCERT.—Seldom in the history of a town is such an opportunity presented as was offered to Lindsay citizens last Wednesday night. The Dominion Organ and Piano Co's Band of Bowmanville, the 45th Battalion band, gave a concert, thirty pieces, in the Opera House here on that evening. Arriving on the 11 a. m. train, the band rested until two o'clock, when despite the rain which fairly poured down, they carried out their program, and performed admirably well. Towards evening the rain ceased and a violent gale from the south-west set in and fairly "made things hoarse." But despite rain, mud, sleet, and gales, eight o'clock found the opera house fairly well filled. The band, dressed in their handsome light blue-grey uniforms, and nearly all being good-looking young men, presented a pleasing aspect as the curtain rolled up. To give a detailed account of each selection is beyond the capacity of our pen; suffice it to say, so much concert has been given in Lindsay.

Four numbers on the programme are among those played when the band was first wised for the province of Ontario, last summer. The "March of the Favorites" collection of sailor songs with a "stern," and other sea songs, and concluding with "Hale Britannia," was grand. Miss Norma Coleman, eloquent, ably assisted in the programme. She is a young lady from Newmarket. Once a graduate of Philadelphia school of artistry, and far exceeds the average professional. Her figure is tall and graceful; her motions easy; her gestures natural; while her voice, especially for the lighter, more joyous variety, is full, and well rounded. Not out in voice, but also in expression of eye and countenance does Miss Coleman fully bring out the depths and spirit of the author. With a slight stammer in rapid utterance, where greatest effect is intended, utterance would add to the effect. Miss Coleman stands unsurpassed in the eleventh field. She richly merited her performance. See, following with band in full chorus, sang in his old "camp" style, and received an encore. In response he gave "Johnny get your gun," in great style. Mr. Glyndon's concert solo and J. E. Wall's character solo were well received. In brief, nothing to equal the evening performance has been presented to Lindsay audience. Whenever they come again the opera house will be more than filled. Mr. J. Waldron, conductor, and Mr. A. S. Mealy, leader, did very creditably. Their respective parties had given a concert at Fort Perry on Thursday night.

FURNISHING.—A pleasing event occurred at residence of Mrs. Sharpe in Fenelon on Tuesday last, the occasion being the marriage of her daughter Annie, and Mr. W. J. Campbell of Cameron. There were a number of guests local and from a distance present. The bride was the recipient of a number of handsome presents. Miss Esther L. Sharpe of Lindsay was bridesmaid, while Mr. Will Graham of Fenelon, was groomsmen. The young couple took the train for Fort Hope, and will visit other places in the honeymoon trip.

A SON OF MR. TOM GLADMAN and nephew of Mr. H. Gladman is in town visiting his uncle. He was with Senator Ogilvie on the Yukone expedition which was reported lost. They spoke Lord Lonsdale's party on 1st July about 1500 miles north Fort Edmonton, when Mr. Gladman learned for the first time that the Emperor of Germany was dead and that Mitchell had whalloped Sullivan. He looks weathered. Some of the old Lindsay boys remember him as he long time attended the union school here.

THE OPENING SERVICES of the new Methodist church in Lindsay, East, were a magnificent success. The services were grand. Rev. Mr. Fenwick more than sustained his reputation being one of the finest preachers in our conference. Rev. Dr. Williams was not a whit behind, but in his eloquent and practical manner he separated the scaffold from the church, and made the duty of the hour plain to all. Mr. Fenwick's sermon was in one of his happiest moods, depicting the character of God, stripping it of the harshness and terror that Agnostics would give it, and clothing it with pity, compassion and mercy. The choir was all that could be desired and more than was expected. Collections amounted to \$120.

A young gentleman would like to hear of a comfortable boarding place in town. Inquire at WARDER office. Dr. E. A. Spillbury, of Toronto, will be at the Benson House, on Friday, Jan. 25th for consultation. See card.

The many friends of Mrs. Barnett of Ops will regret to learn that she is still very ill, though slowly improving. Winter has set in at last, though the winds are south westerly, and will doubtless remain so for the next three months.

Mr. Bowen of Washburn Island lost a fine horse last week. It broke through the ice on Lake Simcoe and was drowned. Misses Gregory, and Mark of Lindsay, and Miss Jordan of Fenelon Falls left on Tuesday to attend Whitty Ladies' College.

Miss Louisa Pittal of Fenelon has returned home from teaching school in Muskoka. She will attend Lindsay collegiate institute this year. Isaiah Brakey, of Oakwood paid W. B. Graham of Ops \$477, for a small load of clover seed, on Wednesday last. Yet some say, Canadian farmers can scarce buy.

Cartwright Municipal Elections resulted in the return of Jas. Parr reeve, and John McKee both by acclamation, council J. H. Dewitt 251, D. Falls 231, Anson Taylor 133. Mr. W. Hungerford met with what might have been a serious accident on Tuesday, he receiving a deep cut in the head from an axe coming in contact with an overhead object.

Lindsay Law Student.—"Why is the hearse standing in front of the post office?" Accountant, in same office—"It is likely waiting for a dead letter."

Hosiery and gloves, underwear and flannels, to be swept out of existence during the clean sweep sale. E. E. W. McGaffey.—51-1f.

Rev. Mr. Dewey will preach in the new Queen St. Methodist church next Sunday morning and evening. Giving a song service in the eve. The choir will assist in the singing. Rev. Dr. Williams will preach in Cambridge street Methodist church, on Sunday next, at 11 a. m. and 7 p. m. Sermons will be delivered in English and Gaelic in the morning. Vice pastore.

The North Ward is fortunate in having Mr. Robinson as contractor for clearing the sidewalk of snow. He was at work early on Thursday morning opening the streets leading to the schools. Mr. Roberts, clerk in J. G. Edwards' hardware store found the watch advertised in THE WARDER by Mr. A. Miller, customer, and returned it promptly to the owner. Mr. Miller is deeply thankful. The Collegiate Institute reopened on Monday with a good attendance. The new masters Messrs. Stevens B.A. and Hardy B.A., and Miss Martie have assumed control of their respective departments. There are upwards of one hundred and seventy five already in attendance. Eldon Station prebiterians under the auspices of Rev. Mr. McKinnon B.A. have erected a new new church which will be opened for divine service on Sunday and Monday January 20th and 21st. Sermons will be delivered in both English, and Gaelic in the morning. Vice pastore.

On Wednesday last a car load of extra fine dressed hog was included here for Geo. Mathew's packing house. This is the first car load taken in here this season, although we understand some 5 or 10 cars have been sent to Peterboro by Mr. Mathew during the last two, or three weeks. According to the opinion of "Max," the financial critic of The Budget of Toronto, the year just closed has been a bad one only to a few Canadian industries, notably the merchants. Of these he thinks the worst have been the dry goods people, among whom overproduction and over-impetuousness have brought serious losses. Max takes a hopeful view of the future, and as he is a high authority on financial questions his opinion is all the more an encouraging sign.
