Special to The Warder. Six.—The question of the day seems to be. Why does presbytery meet so frequently? The reason seems to be that they have a purely civil case before them, and they are trying to convert it into an opplestastical one. Some ear they are trying to take it out of the hands of two or three lawyers. Some think they are wearing a coat. Some say they have turned blacksmiths, and are forging fatters. What has McKay done? FRANKLIN.

Special to The Warder. IT is with sorrow and sympathy, we chronicle the death of Miss Lonsia Fallis, daught of Mr. William A. Fallis. She was a very promising young lady, not yet in the prime of life, only being 18 years of age. She was beloved by all who knew ter. As a token of resp. o', three beautiful wreaths of flowers were placed on her coffin by har Sunday school classmates. Her funeral took place on the 28rd, and was the largest ever known in the neigh-borhood. The father, mother and auonly brother, have the heartfelt sympathy of the community in their sad suce of a glorious immortality. In our village on Friday 2nd inst., Mrs. Ellen Cobland, aged 81 years, passed away, after being a severe sufferer for the last four months, which she bore with Christian fortitude. Her remains were laid in their last resting place on Sunday, in the presbyterian cometery, north of Mount Peacant.

Mn. Thomas and Charles Stewart started for Manitobs on Thursday. We wish them a cafe journey with prosperity.

He delivered one of his femous lectures in the Janetville church, on Saturday evening, the 23rd inst., on the "Devil for Pilate," to a large erowd of people, who listened attentively during its delivery, and we might say with profit. The Rev. Dr. is an able and talented platform orator, and his lectures are well received all over the township. We were sadly disappointed in not having Rev. Mr. Chinquy give his promised ectures, sickness being the cause that he sould not attend.
