PLEASANT VALLEY.

THE base-ball match came off on Saturday the 8th of June, between Islay school boys and Pleasant Valley school boys' clubs. The Pleasant Valley boys came off victorious making 25 runs in four innings, and Islay boys seven in five innings. Some of the friends of the Islay boys were very angry because their boys got so badly beaten. It was a pity that the elders had not taken it unjetly as the boys seemed to take it good quietly, as the boys seemed to take it good natured. We hear they are to play again in two weeks from the above date, and we have every confidence in our boys. Look sharp

They will also fall heir to the benefits of that competition which must result from collision with such enterprising characters as the merchants of this place are known to be. BASE BALL .- A very interesting game of ball was played here on Saturday 8th inst., between the Oakwood and Little Britain teams. The game was won by the former by three runs and an innnigs to spare. The playing on both sides was good, but owing to the slippiness of the ground, caused by super-abundance of oxygen and hydrogen in close union, many errors were made which would not otherwise have occured. This is the second match played by these teams this season. They now stand even. We under. stand the champion match will be played in July. About one hundred spectators were present on Saturday.
