

The Victoria Warder

FRIDAY, JUNE 21, 1889.

A union of hearts and a union of hands... A union of arms can sever; A union of homes and a union of lands...

Genes of Thought.

Wishes not empty. The decision made Can never be recalled. H. W. Longfellow. Where your will is ready, your feet are light.

A LEADING METHODIST GEMMY MAN INVOLVED.

The Globe recently insulted the Rev. Alexander Campbell, the famous Methodist clergyman of Montreal, for daring to speak the truth about the Ontario separate school laws, and rosin aggression generally.

ORIG. FREACHERY IN THIS COUNTY.

Electors of Victoria, awake! In Somerville township, right in this county, a gross error, not to say crime, has been detected in the voters' lists.

Did the pious old girl aforesaid act the manly part? His name is H. Graham of Kilmount. He demanded that the court do not adjourn but that the lists be passed at once.

MORE OF SIR JOHN THOMPSON.

High Graham of the Montreal Star has deposited \$6,000 with the government to test the Senate's Act in the Supreme Court of Canada.

It remains for Sir John Macdonald either to give Mr. Thompson to understand that the government of this fair Canada is not to be run on the basis of Mr. Thompson's "dignity" or "feelings"; but on the just demands of its free people; or else to politely kick him out of the Cabinet.

JAMES GLENDENNING OF BROOK, THE STANDARD BEARER IN NORTH ONTARIO.

THE WARDER congratulates Mr. James Glendenning, reeve of Brock, on being nominated to contest North Ontario for the local legislature. The candidate is an unassuming farmer, yet one who has kept himself thoroughly posted on public affairs.

LINDSAY COUNCIL AND THE ROMAN CATHOLIC VOTE.

By report of the town council it will be seen that Mr. A. D. Mallon had the audacity to ask, and the council the weakness to grant payment for an unauthorized private advertisement in a Toronto paper.

OBEEDIENCE.

Many parents, teachers, preachers, and all priests are eternally preaching OBEEDIENCE IN ALL THINGS. Such theory is essentially wrong. Rebellion in all things would be much more beneficial to humanity.

SIR JOHN AND MR. MOWAT.

"Thousands who love Sir John Macdonald, and thousands more who respect, and admire him, and have supported him, will not follow him again unless he shows a desire to press the Jesuit Acts to some high legal authority for decision.

JULY 15th IN LINDSAY.

The coming 12th July is expected to witness the greatest gathering of Orangemen and ex-Orangemen in Lindsay that Victoria county has ever seen.

TO TEACHERS, GEMMYMEN AND OTHERS.

There is such a vast amount of misplaced honest zeal in this Jesuit question that we feel constrained to make the following offer. We recently heard a thoroughly well educated clergyman declare that the veto power over provincial acts lay, not with the Governor-General in Council but with the House of Commons.

What is the Cabinet? What is the House of Commons? What are the functions and powers of each? Could the House of Commons veto an act of a Province.

EDITORIAL NOTES.

Lindsay at an early date will have electric light. Then the waterworks. Then manufactures. The Toronto Daily Globe has issued a special edition illustrating Montreal Board of Trade and city. It is a splendid work of art.

TICKLING TORTURE.

Mrs. Henry M. Kitchen, St. George, Ont., says: "I had a bad cold which settled in my throat, causing a continual tickling, and I just coughed all the time. I got Huggard's Pectoral Balm and in 3 days was getting better, and in 10 days I was to church. Our neighbors know this to be true.—83-11."
