BEST OF FRIENDS MUST PART, And though this parting will cost us hundreds of dollars, it has to be. However, we derive much comfort from the circumstances which will leave not our enemies but our friends the beneficiaries. It is not the lack of business—for we are always busy—but the lack of room in our new stand which compels us to make this great slaughter of our former very low prices.

Also a full range of Youths' and Boy's Clothing. Just give us one call and satisfy yourself that this is no humbug. We have made a HORIZONTAL REDUCTION all round. Prices have found a level and the man who sells goods as cheap as we do for the next thirty days will have to sell below cost.

VAIN REGRETS. Since CHINA HALL opened in Lindsay a great many people have come and priced our goods after having bought elsewhere. In every instance having made the discovery—when too late—that they have lost money by not buying directly from us. Do not buy a dollar's worth of CROCKERY, CHINA, GLASS OR SILVERWARE Without first seeing our prices. You will then have NO regrets besides being considerably better off financially. REMEMBER We are the largest dealers in the above lines between Toronto and Montreal, and being direct importers, we buy our goods from 30 to 40 per cent. less than grocers have to pay for theirs. Our selling price is, THEREFORE, less than wholesale cost for them.
