# MID-SUMMER SALE.

HAVE DECIDED TO HAVE A MID SUMMER SALE COMMENCING WITH THE

## 12th of July and lasting till the 1st August

Our object in placing our large stock for sale on the market just at this juncture is owing to some business arrangements we are about to enterpiato, which will require

(\$7,000.00)More than we would realize in the ordinary routine of business, and in order to realize our wishes we have decided to offer our entire stock at such prices as will commend our efforts to the public, at the same time give

## THOSE WHO HAVE READY MONEY ONE OF THE BEST OPPORTUNITIES

To avail themselves of good goods purchased for the least money that any stock in Lindsay or elsewhere has been purchased.

In buying our goods our advantages are the best, we claim all stock contained in our large stores has been purchased in a more advantageous market than any other similar concern in the trade.

## IIS SALE IS BONA FIDE-

It is not got up to take us out of a tight corner, but we want to realize a certain figure by August that we may be in a still better position to make your future dealings with us of a more interesting nature; and in responding to our mid-summer appeal you will be assisting yourselves for the present and future.

good shallos and barn. On the indested portion there is a great amount of pacture. Privilege to plow there is a great amount of pacture. Privilege to plow after party and possession given on the 1st Agree, 1500. Apply to Phomas connected or Anthur Christian Christian Connected or Christian Connect

Ontario Under the Heel of Rome

Protestants Should Blush for Shame at their Lethargy and Supineness.

Protestant citizens of Ontario are excited and rightly excited over the "Jesuit Estates" Act of Quebec Province;" but they must awake to the greater dangers at their own doors in Ontario. The state of the school law in Ontario is indeed slarming when one examines it. The concessions to romanism have left the province for years to come at the meroy of the romie's church.

the merey of the romish church.

However, it is better to awake new than in the future when the fetters would be stronger. There is but one remedy. Ontario, sy, Canada must have a national system of public schools, and romish separate schools must vanish, meantime, rigorous changes must be made in the laws, and the most obnoxious clauses amended at once.

The following show some of the radical advantages granted romanism. In every case the funancial sepect favors the most intolerant pewer ever created.

Let each read for himself.

Taktomal Public Schools vs.

National Public Schools vs. Roman Catholic Separate Schools,

(i) The public schools are free by law. Roman catholic separate schools may impose

ROME IN ONTARIO

British subjects; thus, in Toronto two roman catholic trustees recently beasted at the board that they were not British.

(3) Voting for public school trustees may be by ballot, or the same day as the municipal but the persons qualified by law as teachers, either in the Province of Outario, or at the time of the passing of the British North time of the passing of the British San time of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify the reeve or thus dodging the payment of the new build trustees and afterwards notify

de of in comma catholic. They use just what books, teach what histories they choose, and crem the romain catholic content.

The evident object of the law is in the first intance to force the trade up in Canada in years and of frequence with latter of the content.

The evident object of the law is in the first intance to force the trade up in Canada in years and in the other to trade up in Canada in years and in the other to trade up in Canada in years and in the other to trade up in Canada in years and in the other to trade up in Canada in years with latter of the content.

21. It a public school supporter whose to send his child to an adjoining section he is of the years of the content in Canada in where he lives, and also the fee charged for needled public school supporter of a separate school.

All a roman catholic requires to do is to be send in the school within an air line of three miles from one, and his taxes go to it.

12. A protestant that have all his property assessed to the school in the section in Ops in which the property is situated.

(22) Protestant children may be, by law, obliged to pay his regular rate in the section where he lives, and also the fee charged for needled public school, went in the school within an air line of three miles from one, and his taxes go to it.

13. A protestant must have all his property assessed to the school in the section in Ops in which the public school, went to the section in the contrary, may be about the chools.

13. A protestant must have all his property is situated and in which he lives.

A roman catholic, on the contrary, may be about the chools.

14. A protestant must have all his property is standard.

15. Public school property in Ops within a vote in public school may not be section in Ops in which the public school, went the public school school may not be section in Ops in which the public school school may not be section in Ops in which the public school will be a him of the section in Ops in the school will be a him of the section in Ops in the s
