

The Victoria Warden

FRIDAY, AUGUST 23, 1889.

Some of Thought. These sweet and bitter is the life of man...

Valor that parleys is near yielding. Enter not into the path of the wicked...

Good understanding breeds favor; but the way of transgressors is hard.

The commandment is a lamp and the law is light; and reproofs of instruction are the way of life.

Scientists have ever maintained that the range of rocks traversing the northern regions of this country contain rich mineral deposits.

Now, Thomas Hays, one of the best practical chemists and assayers, has analyzed ore from near Cooper's Falls in 'far away Dutton' in this county...

The whole range is rich. Near Rockland rich deposits of gold ore await development.

NO FOR HATTAWA.

Chief Engineer Bailey, staff and assistants who have been engaged in surveying the extension of the Haliburton branch to Hattawa have finished their work.

Still how much better it would be were it some Yankee district that was being opened up; at least the annexationists in Lindsay will declare so.

But Lindsay, and Victoria county and Ontario will keep on progressing.

Are farmers aware that properly managed hog raising pays as well as if not better than most other departments of farm work?

With development of Canadian industries and the consequent great increase in industrial labor, the hog is a positive necessity.

The Canadian farmer must be further protected against cheap Yankee prairie pork if necessary.

Every week car load after car load of cattle, sheep and lambs leave this county for Toronto or Liverpool markets.

And yet this country is being injured because Yankee prairie raised cattle cannot come free into Canada to undersell the Canadian product.

Imperial federation may not draw farmers from the harvest field, but it was a good enough club to kill commercial union with Toronto Telegram.

Port Arthur Illustrated is the title of a handsome got up magazine issued as supplement to the Manitoba Colonist.

The French Senate has found Gen. Boulanger guilty of conspiracy against the State, and the State council has annulled the elections in twelve cantons in which Boulanger was elected.

Rev. Foster McAmmond B. A., late of Penelton Falls, now of Newburg, has been appointed Principal of Stanstead Methodist college.
