SHARP BUSINESS TRANSACTION. A few weeks ago a stranger came into a store and bought a lot of white soap and some tinfoil, borrowing a knife from the obliging proprietor he cut the soap into small squares, wrapping each piece in the tinfoil. The next morning he went out through the village and went to a lot of white soap and some tinfoil, borrowing a knife from the obliging proprietor he cut the soap into small squares, wrapping each piece in the tinfoil. The next morning he went out through the village and went to a lot of white soap and some tinfoil, borrowing a knife from the obliging proprietor he cut the soap into small squares, wrapping each piece in the tinfoil.

Col. Parker L.L.D., president of the Illinois State Normal school, Chicago, after an enjoyable outing on Victoria County waters, returned home on Saturday. Under the guidance of the famous John Godfrey of Bob-caygon who knows every fish bed in the lakes, the gallant colonel landed many a fine maskinonge, for three of which "The Warrier" graciously returns thanks. The only thing "Anti-British" in the Colonel's conduct while here was his attempted annexation of the whole of Canada, not even of Victoria county, but of a young Indian lad from the settlement at "Indian Village" on Clear Lake, Michigan and Pigeon lakes. With the broad heart for which the foremost school man and educator of North America is noted, Dr. Parker offered to take one of the young chiefs out to his institution at Chicago and develop him. But the lad was wedded too much to the maskinonge and cranes of his native waters. No visitor has left more favorable impressions in this district than has Col. Parker. May he be a yearly visitor, and if he can annex nothing else, may he annually capture stores of Canadian fish, good fellowship, and the best of health. In these every Canadian whom he met will give him the right hand.

Mr. Byron H. Mayer of S.S. No. 4, Foston, succeeded in passing three candidates at the recent examination for 3rd class certificate and one for 2nd class certificate. Likewise another for 3rd class failed by only eight marks and will likely afterwards be passed. The names of the successful ones for 3rd class are: Thom. Mark, Wm. Day, and A. Glasspool; for 2nd class, John Daniel. This is a high record for a rural school.

The Social is the first Methodist church on Tuesday evening was a success. The place was comfortably filled. Mr. and Mrs. Church delighted the audience with their musical selections, especially Mrs. Church's vocal solo. Mrs. Purdy had her first appearance before a Lindsay audience was highly appreciated. Mr. Simmons' recitals were assuredly of a high class and were heartily enjoyed. R. J. McLaughlin Esq., presided with great acceptability. The refreshments were good. Altogether it was a delightful affair.

The Citizens' Band excursion to Buckhorn, via Indian Village, on Wednesday last was a complete success, there being about one hundred and forty on board the Alice Elliot. Every one enjoyed the trip immensely and congratulated the band on their enterprise and foresight in selecting such a beautiful route. A vote of thanks was moved by Mr. O. S. Thompson and seconded by Mr. R. McDonald, to Capt. Fee, and his assistants for courtesy and ability in managing the steamer. Three rousing cheers with "Ho's a jolly good fellow" from the band closed the evening's proceedings.

Mr. Redick, one of our worthy citizens, an employee of the Grand Trunk Railway Coy., last week purchased from W. W. Logan, a Dominion upright piano, one of the finest in town, both in tone and finish. This was the third instrument placed by W.W.L. during the week. Mrs. Parly of Bellefleur, niece of Mr. Redick is in his debt and thinks of restoring for a time. She is prepared to give lessons in both vocal and instrumental music, is thoroughly competent, comes highly recommended, has been taught the most modern methods by some of the leading professors of the age. Parties wishing to become proficient in music will find this a rare opportunity. See advertisement next week.

OFFICERS.—On Monday night, Aug. 19th, James Phin Esq., one of the oldest settlers in the township of Waterloo, brooded his last, at his home, Knapshill. He was born near in Scotland, Nov. 23rd, 1802; in 1825 he became a bailiff on the Shirley estate in Ireland, where he remained till 1853, when he removed to Canada and settled about seven miles south-west of Oranville. He changed a very promising tract of land into a fine estate, and became one of the most wealthy and influential yeomen in Waterloo. He was a Justice of Peace for more than forty years, being one of the first appointed in that township. His two sons John and James P. Phin, are among the largest landholders in the county. One of his daughters was the wife of the late Mr. Rose who owned the property of Mills, the other is married to Sheriff Scarfe, of Bradford, who was for some time Mayor of that city. Mr. Phin's funeral was attended by a number of members of Parliament, and provincial and county officials. In accordance with his request Mr. D. Williams of Lindsay officiated at the grave and preached the funeral sermon. The Rev. D. Corbish, assisted by Rev. Mr. Haigh of the Presbyterian church, Hespeler, had charge of the services, assisted by the Rev. R. C. Henderson of Lucan, and James White of Hespeler.

ONTARIO RIFLE ASSOCIATION MATCHES.—The above matches began on Monday last, and were attended by crack shots from all parts of Canada to the number of about 200, of whom twenty-five were from the 45th Battalion, I. C. B., Lindsay, Bowmanville, and Fenelon Falls. The success attending the Victoria men was much greater than was expected. In the Canada Company match a team from the 45th, whose members had never competed in a match, won fourth prize defeating such crack corps as the Royal Grenadiers, "D" Co. regulars, etc. In that match Dr. Kenny, veterinary surgeon of Lindsay, came out first prize winner, with a "possible" at 400 yards. The members of the team from this county selected were Capt. Hopkins, D. Sinclair, Dr. Kenny, J. H. Southerton, J. H. Brandon, Finlayson, and J. W. Stewart. All credit to the beginners, Staff Sergeant R. Sylvester made excellent shooting, as did also Lieut. Williamson, and Mr. Oliver. It is probable the representation from this county would have done even better had that in two of the days some of them fired just about dark, and at 600 yards, good shooting is then impossible. Next week the D. R. A. matches are on at Ottawa.

The returns of Wednesday's matches show the 45th Battalion team again winners of the first prize for the Province. The team consisted of:
Capt. Russell..... 68 Points.
Staff-Sergt. Mitchell..... 57 " "
Staff-Sergt. King..... 55 " "
Pte G. Horsey..... 51 " "
Pte D. Beech..... 51 " "
Pte Windell..... 45 " "
Staff-Sergt. Sylvester..... 43 " "

The other winners were: 13th Battalion, Hamilton, 52 points; 5th Royal Scots, Montreal, 44 points; 43rd Ottawa and Carleton, 43 points; Royal Grenadiers, Toronto, 623 points. The 45th Battalion have thus again won the much coveted prize. Lieut. Williamson did well on Wednesday. Besides being on the battalion team, he won a good individual prize, as well as an aggregate. Capt. Russell 45th, won the first prize in the grand Field battery 3rd Coy. Nilgiris in first to the 1st Aggregate with Capt. Russell of the 45th, 2nd. In the 2nd Aggregate Sergt. W. M. Goodwin of Hamilton, brother of Mr. Goodwin of Lindsay, was 1st. No. 1 Coy. 45th Battalion, Bowmanville, won the 1st company prize. In all the 45th Battalion won.

Let prize in the Canada Company, Dr. Kenny of Lindsay, aggregate, Capt. Russell, 1st prize Grand Aggregate, Capt. Russell, 1st prize Battalion team.
1st prize Company team.
Besides numerous individual prizes.

REMEMBER the excellent sale of household furniture, piano, two organs, and other effects. The property of Mr. G. Leonard Smith, on the market again, on Saturday, Sept. 7th at 2 o'clock.

Little Britain.—A garden party will be held on the Christmas passage grounds Little Britain to-night. A good programme will be presented, consisting of addresses, vocal and instrumental music, fireworks, etc. There should be a good attendance.
Y.M.C.A. New Room.—The young men's Christian association will occupy the rooms of Mr. R. Sault's new store corner of Keat and Cambridge Streets as soon as the building is completed. The young men of our town will doubtless appreciate the efforts the board of directors are putting forth to secure such suitable rooms to carry on this most important work among young men. The situation is one of the most desirable in the town. Women's committee—a women's committee in connection with the Y.M.C.A. will be organized next Monday afternoon in the association rooms. It is the intention of the association to conduct special services for men only during the month of October. This will be followed by a conference of association workers on the 24, 4th and 5th of Nov. Young men are all invited to a young men's meeting at 4:15 next Saturday afternoon in the rooms.

Sufferers from indigestion, loss of appetite, liver or kidney complaint, rheumatism or neuralgia, would do well to give Ayer's Sarsaparilla a trial. For all such disorders, no medicine is so effective as this, when faithfully and perseveringly used.—93-1.
1. Is it not the height of impropriety for two young ladies, aged nineteen and twenty-one, to go on the river at night with young men? 2. What opinion is the public likely to form of such conduct of respectable ladies? 3. Would you consider it wrong for a young man to inquire into the lineage of the exact status of officers relative to this case? 4. In what manner would they be likely to receive such advice, providing they are sensible girls and not mad ones? HENRY J. Certainly such an action is reprehensible. 2. The worst. 3. It would be a very difficult position for a young man to take upon himself, and probably would produce a rupture of friendship. Advice is rarely acceptable.

The Old Man gets a Brand-new Suit of Clothes at KEANS' Famous Bankrupt Store.

"Did you see Pa's new suit of clothes?" asked the bad boy, as he came into the Grocery store and held a fruit basket under the molasses tap. "Yes," said the grocery man, as he changed the bad boy's father with a quart of molasses. "You folks are getting mighty toady. Your father looks like a church-warden at a vestry-meeting. Where did he get them clothes was there a fire?" "No, there wasn't any fire, neither. Butcher life Pa don't her to go to fire lookin' fur clothes. He got um at Keans', an' it don't require a great big fortune to get a suit of clothes there. My Ma got him \$5.00 an' sent him down to Keans', and look at the consequence—he's too respectable for nuthin'." When Ma first saw him she felt as if there was company in the house, an' she made me go and wash my neck, an' sent the girl out fur more of the spare bedroom, an' her'n he would sleep well, and tellin' him not to blow out the gas. An' Pa said he was feared he was puttin' Ma to a lot of trouble, an' Ma said, "Oh, no, not in the least, we are only too glad to hev you here." An' when I snickered, Ma slapped me an' told me to be a good boy while the gentleman was in the house. Butcher life we've had a major picnic up to the house since Pa got the new clothes," and the bad boy went out and hung up a sign in front of the store.
