## In Tears That I am Wiser.

I stand upon my balcony.
My tea-gown softly flutters;
Perhaps it might be wise to stand
Inside the oaken shutters.
And yet, though I can see her face,
I hear no word she utters.

Her white hand rests upon the gate,
Her smooth cheek flushes brightly;
His breath her cloud of little bangs
Is swaying very slightly:
And he? Well he's the favored one.
For whom her eye burns brightly.

Amusing love of early youth,
So fresh, so bright, so vernal!
Such faith in all, such love and truth,
To me it seems supernal.
For I have lived to know that naught
On earth is quite eternal.

My dears, some day you'll know with me.
That love flames just in flashes;
That time has glowing sandaled feet,
That burn all things to ashes;
That faith and truth are lights that shine,
Only beneath Youth's lashes.

Yet standing here, just out of sight
(Duenna and adviser,)
I watch you silly two to-night,
As gold the envious miser.
And find myself, oh breathe it light!)
In tears that I am wiser!

## BELLEVUE.

*Special to the Warder.*

SABBATH BREAKING.—On Sunday evening last, the usual quietness of our neighborhood was aroused by the banging of guns on the waters of Emily creek and lake. It being the 1st of September, some of Lindsay's sports who had evidently had more knack for duck shooting than for keeping the Sabbath in the full face of British law to the contrary, planned and perfected a Sunday duck-shooting excursion into the midst of our quiet neighborhood. They left the next day and escaped that time; but we warn them not to repeat the operation again, or they may not come off so safely next time. This is Canada, not the United States. Ours are British laws, not the liberties of our Southern neighbors. We have the names of some and heretofore considered that they belonged to a different class from that with which they have lately distinguished themselves.

## COBOURG.

We hope those who have promised to pay up when they "thresh their barley" will stick to their promise.

SUCCESSFUL ONES.—The following are the names of those from our collegiate institute who were successful at the recent matriculation and 2nd, and 3rd, class examinations:—2nd class, or arts matriculation, Victoria University, Mary Field, F. Bowman, Robert Butler, Edgar Hayden, Edward Holmes, Wm. Jakes, Alfred Wilson, W. J. Wood, G. C. Wood. 3rd class, F. Bowman, G. Gilliard, P. Gillespie, M. O'Donahue, W. Ratcliffe, L. Ross, M. Sarsfield, J. Thompson.

A BRUTAL ACT.—The town has been quite excited this week over the brutal conduct of one of our citizens, and a leading man. It seems a number of children were bathing in front of his residence on Saturday last, when he came out with a horsewhip, and, calling one of the little fellows (a boy between five and six years of age) up to him, he beat him with the whip until he fainted. The case promises to go to the grand jury and it certainly should. We would almost fancy that a lodge of White Caps be started here if such brutality is to exist among us without check.

AN old lady attended one of the town churches Sunday evening, forgetting to take her spectacles along. During the reading of the lesson a party in the seat with her, offered her a bible, when she said, "no thanks; I forgot my specs, and will have to take the minister's word for it." She apparently had confidence in his reading the lesson all right.—Sentinel Star.

## FLEETWOOD.

*Special to The Warder.*

SHORS.—The grain is nearly all in the barns and a good deal of it threshed. The yield is pretty good, some wheat not as plump as could be desired, but on the whole a good crop. Barley generally colored, but a good plump grain.

Messrs. James and Thomas Shea lost a valuable mare. She was only sick for a few hours before she died.....Mr. John Hart also lost a fine three year old colt. It got down in the stable getting its legs fast underneath the door. It was so far gone there could be nothing done to bring it around.

## ONTARIO COUNTY.

THAT notorious thief and blackleg, Mick O'Brien, and his tough chum Jack Chapman, are reported to have gone to Wisconsin to join those other illustrious Pickering boys, the Lochey outlaws. This township is well rid of the whole tribe, and it is highly probable that Wisconsin will relieve Ontario of an expensive hanging bee. If they get hanged in an alien country we will ever praise their patriotism. When Constable O'Connor was hunting O'Brien up the 2nd concession it was said Mick was hiding in that neighborhood, but the people were afraid to inform of his whereabouts. If O'Brien returns to Canada he will be arrested on sight.—Port Perry Standard.

## CAMPBELLFORD.

THE NEW ROUTE COMMENCED.—Work on the new route of the Grand Trunk Railway through Campbellford may be said to have commenced. A "pontoon" has been floated in the river to ascertain the formation of the bed for the construction of piers for the bridge. Mr. Somerville, the engineer, in company with Mr. Graham, came here on Monday last to purchase the right of the way for the new track.

ELECTRICITY AND WATER.—Campbellford is to have both waterworks and electric light. Last week the contract for the waterworks was given to Messrs Niles, Hunting & Co., of Hamilton, for the sum of $19,500, and the electric light contract awarded to the Western Electric Light Co., of Chicago, for $6,025.—Herald.

## HARTLEY.

*Special to The Warder.*

IMPROVEMENTS.—Hartley and vicinity is rapidly improving, and it will soon be one of the nicest parts of the country.

MR. John Smith's new house will soon be completed.....MR. A. Spence is also building a fine house.....Additions have been made to Mr. J. Barker's buildings in the shape of a new stable, erected by Mr. Jno. Driscoll.

ADVANCE.—Our village is booming right up. Messrs J. Bell, J. Barker, and H. Williams are on the jump most of the time attending to their customers.

THRESHING.—Messrs. Malcolm McEachern and Neil McWilliams with their steam threshers, are doing excellent work.

OBITUARY.—On Sunday 1st, Sept., Maggie Alberta, daughter of Mr. Edward Taylor passed away. She has been a very great sufferer; but she is now far better off than any of us can ever be in this world. The family have in their bereavement, the sympathy of the entire community.

## JANETVILLE.

*Special to The Warder.*

CHURCH NEWS.—The trustees of the Janetville church, met on the evening of the 4th inst., for the purpose of devising the best means of liquidating the small debt that is still remaining on the church. It was agreed to hold anniversary services on the 6th and 7th of October, and to invite the Rev. Dr. Carman and Rev. Mr. Parker, with other eminent divines not yet named.

REVIVAL.—The Rev. James Coburn is holding revival meetings in the Janetville church this week, and on account of the business of the season the attendance is not an average one. It is to be regretted that he came in so busy a season, the harvest not being all settled yet.

BIRTH.—The wife of Mr. Robert Naylor has presented him with a young son on the 2nd of September. She was attended by Dr. Allin, both mother and son are doing as well as can be expected under the circumstances.

VISITING.—Mr. David Magill sr., is gone to Montreal on a few weeks visit to friends there.....Mrs. Wm. Arthur is visiting her father-in-law's family in Kingston at present.

## ORILLIA.

FOR one day's threshing Mr. Malcolm Leith, of Medonte, has four hundred bushels of fall wheat, or about twenty bushels to the acre. There was straw enough for forty.

AN American tourist, who has travelled considerably, saw Orillia for the first time on Friday, from the deck of the "Orillia," and after exploring the beauties of the place, made the remark to a certain Government official resident here that the town reminded him of Naples, in Italy, in two respects—it looked lovely from the water, but when you got on shore bad odours, filth and dirt were predominant. "See Naples and die; take a walk in Orillia streets and get poisoned."

A NUMBER of farmers in Manitoba are interesting themselves in the matter of frost protection. Their plan is to have legislation passed in the Local House to empower municipalities to pass by-laws requiring farmers to reserve a portion of their straw each year, to be used if necessary the following fall. This straw would be distributed around the farms in heaps along the edge of the fields, while other large stacks would be left at intervals over the plains, to serve as warning beacons when set on fire by order of the person entrusted with the work, whose duty it would be to observe standard thermometers on any cold night, and when the temperature fell below a certain point to have the beacons fired. The farmers would then set fire to their straw heaps, and in the course of an hour or two the Portage plains would be covered with artificial clouds of smoke and steam, which are great preventatives of frost. There are only from one to three or four nights each year when the precaution would be necessary, and some reasons it would be dispensed with entirely. There is nothing impossible or impracticable in the scheme, and the gentlemen who are interesting themselves in the matter are intelligent farmers who have been successful in other schemes for the benefit of the farmers of the plains. As soon as the fall crop is gathered and their fall work done they will make a move in the matter.—Packet.

## PETERBORO.

LABOR DAY.—September 16th, has been selected as the day for the great annual picnic of the trades and labor organizations of Peterboro. Arrangements are fast approaching completion, and every thing is being done to make this the event of the season.

A SKELETON.—There is on exhibition at the Snowdon House what is purported to be the skeleton of a new born child. It was found by Mr. Snowdon when digging a post hole in the rear of his hotel.—Times.

## ZION—MARIPOSA.

*Special to The Warder.*

A GRAND SUCCESS.—On Friday, Sept., 6th, Mr. Burden, teacher of Port Hoover school, and Mr. Shaver, teacher of Brawless, had a grand picnic in Becroft's grove. The scholars numbered something over one hundred and fifty, besides all the parents and many friends. The picnic was of such a nature as to make it pleasant for all. A grand lengthy programme was rendered by the scholars and local talent. The Rev. Mr. Bamforth occupied the chair and made an excellent speech on education. After the programme was ended, the crowd partook of the ample supply of provisions prepared by the parents. The large number that attended, shows plainly that the teachers are highly respected. Great praise is given them for the successful way in which they managed their picnic. Trustees should take advantage of this and hold tight to their highly respected and successful teachers.

## PENETANGUISHENE.

*Special to The Warder.*

SCARCITY OF CARS.—Constant complaints are heard here on inadequacy of car accommodation for shippers. It seems that all the cars for lumber are kept on the main line.

AN "AT HOME."—The ladies of the summer hotel gave an "at home" bazaar and concert, a few evenings ago on behalf of the English church parsonage building fund. The proceeds amounted to over $100.

H. H. COOK M.P.—It is rumoured that H. H. is again seeking nomination for East Simcoe by the reformers. Several old "stand bys" refuse to support him any longer.

MR. BECK'S RESIDENCE.—This building now completed with grounds terraced and levelled has cost $27,000. Some say there are few finer residences this side of the city.

CAMPERS.—A great many campers have gone south during the past week, but the late hot weather has brought almost as many to take their places. They have been getting delightful weather.

TEMPLARS' EXCURSION.—This lodge had an excursion to Henry harbor last week. A number of the excursionists spent their time fishing, bringing home one hundred and forty-one, the heaviest weighing 25 pounds and the lightest about three.

CLERICAL.—Rev. Robt. McNabb, wife and son, of Beachburgh, have been visiting at Mr. John Jamieson's. He preached an able sermon in the presbyterian church on Sabbath evening, Aug. 25th.... Rev. M. Scott of Brookdale, was in town last week visiting friends.....Rev. L. H. Wagner, wife and son, are visiting at the Bay View cottage.

MASONIC.—Mr. J. Ross Robertson of Toronto, being in town last week, gave a masonic lecture in Corinthian lodge hall.

PERSONAL.—Mr. Duncan McKellar of the Toronto Saturday Night, spent a few days at home last week.....Judge Sinclair and family, of Hamilton, spent their vacation at the "Penetanguishene."

## A Good Regulator.

Disordered kidneys give rise to rheumatism dropsy, pain in the back and loins, etc., besides many dangerous complaints affecting the kidneys themselves, as bright's disease, uræmia, etc. Regulate the kidneys with Burdock Blood Bitters, the best diuretic and kidney remedy ever devised.—94-2

When Baby was sick, we gave her Castoria,
When she was a Child, she cried for Castoria,
When she became Miss, she clung to Castoria,
When she had Children, she gave them Castoria

Skin diseases are most annoying because so noticeable. Dr. Low's Sulphur Soap heals and cleanses the skin.—81-4.

## Constant Care.

Constant care is necessary against unexpected attacks of summer complaints. No remedy is so well known or so successful in this class of diseases as Dr. Fowler's Extract of Wild Strawberry. Keep it in the house as a safeguard.—94-2.

Millburn's Beef, Iron and Wine is prepared from fresh beef, soluble iron, and pure sherry wine, combined with choice aromatics.—81-4.

## A Corrupt System.

Bad blood may corrupt the entire system and cause scrofulous sores, swellings, ulcers, salt rheum, erysipelas, sore eyes, and skin diseases, as shingles, tetter, etc. Burdock Blood Bitters purifies the blood and cleanses, tones and strengthens the entire system.—94-2.

## Dangerous Counterfeits.

Counterfeits are always dangerous, more so that they always closely imitate the original in appearance and name. The remarkable success achieved by Nasal Balm as a positive cure for Catarrh and Cold in the Head has induced unprincipled parties to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, bearing such names as Nasal Cream, Nasal Balsam, etc. Ask for Nasal Balm and do not take imitation dealers may urge upon you. For sale by all druggists or sent post-paid on receipt of price (50c and $1) by addressing Fulford & Co., Brockville, Ont.—1010-tf.

## Rely on This.

DEAR SIRS,—I have used Dr. Fowler's Extract of Wild Strawberry for the last three years, and can always rely on it as a speedy cure for diarrhœa and all summer complaints. I can recommend it highly and I wish you every success. MRS. W. FOWLER, 13 Oxford St., Toronto.—94-2.

# Dress the Hair

With Ayer's Hair Vigor. Its cleanliness, beneficial effects on the scalp, and lasting perfume commend it for universal toilet use. It keeps the hair soft and silken, preserves its color, prevents it from falling, and, if the hair has become weak or thin, promotes a new growth.

"To restore the original color of my hair, which had turned prematurely gray, I used Ayer's Hair Vigor with entire success. I cheerfully testify to the

## Efficacy

of this preparation."—Mrs. P. H. Davidson, Alexandria, La.

"I was afflicted some three years with scalp disease. My hair was falling out and what remained turned gray. I was induced to try Ayer's Hair Vigor, and in a few weeks the disease in my scalp disappeared and my hair resumed its original color."—(Rev.) S. S. Sims, Pastor U. B. Church, St. Bernice, Ind.

"A few years ago I suffered the entire loss of my hair from the effects of tetter. I hoped that after a time nature would repair the loss, but I waited in vain. Many remedies were suggested, none, however, with such proof of merit as Ayer's Hair Vigor, and I began to use it. The result was all I could have desired. A growth of hair soon came out all over my head, and grew to be as soft and heavy as I ever had, and of a natural color, *and firmly set.*"—J. H. Pratt, Spofford, Texas.
