The loss of Mr. Geo. Graham's horse and again by fire on Monday afternoon last is a serious blow to that enterprising gentleman. He was threshing on his western farm near the old "Settlement" place, with a steam or "threshing" machine, when suddenly about two o'clock the whole side of the building was consumed, which Mr. Graham lost two horses, five tons of hay, about 1800 bushels of barley, besides other things of value. With some \$5000. Mr. Graham was managed to remove the machine with the loss of the carrier. The fire started on the side of the building where the engine was, and spread rapidly to the rest of the building, and is further aggravated by the unusual sympathy of the whole neighborhood, and country generally for George is known as a whole-hearted manly fellow.

Dr. Colburn left last night for an extended trip to the Rocky Mountains in Colorado, where he will spend the winter months. On Tuesday evening the Citizens' Band serenaded the doctor, and large numbers of his friends have kept him long saying "good bye." He leaves with good wishes from all, and hopes for restored strength. During his absence his practice will be in charge of Dr. W. H. Clarke, who is fast growing in popularity.

Arguing's Case—The appeal made by Mr. Johnston, to the members and adherents of St. Andrew's church in aid of the general sch. of the church, has been liberally responded to; the amount subscribed being about \$1000. This will no doubt be increased, as several of those who subscribed intend to supplement their subscriptions during the year. It must be gratifying to Mr. Johnston to find his appeal so liberally responded to.

Attendance—In THE WARDER last week, the report of the presentation of an address and supper to Mr. Isaac Finley, on his leaving that village to take up his residence in Lindsay, would be incomplete if it did not mention the handsome manner in which Mr. and Mrs. Jenkins entered to the party. The tables were supplied with all that could be desired or wished for, while ample supply of water, the want of which is often a drawback on such occasions left no room for complaint. In one word everything was all that could be desired.

On Tuesday they began the sale of coal oil and reduced the price fully 30c. and are now offering Canadian oil at 16c., American Shell, a reduction that should act to all hearts (and pockets too) of the least of every family is receiving the benefits of the above reduction. Consumers should remember to whom they are indebted for the low prices and place their orders with CHINA HALL.—98 1/2.

ART LOAN—This extensive exhibition of paintings, pictures, relics, curiosities, etc., got up by the ladies of our town is now open, and is in every detail a decided success. For thought of the curious that such a collection could be made in Lindsay, but it has been proved that she has her share of lovers of art. The interest all take in the affair is wonderful. Even friends from neighboring towns are attracted. Fewer articles of value are being offered, but the number and variety of articles, and the interest in them, is such that the exhibition is sure to be a success. The ladies have gone to great labor in securing every article of value, and have done so very quietly and unobtrusively with the numbers and names, or description of each article, so that visitors will have no trouble in finding any article. This will also greatly add to the interest in the exhibition. For of articles of value, have been in some way connected with great events, or secured under peculiar circumstances.
