Give us a call as we guarantee satis- faction. Groups, and baby's photos, a specialty. Fowler & Co., corner of Kent and William streets, Lindsay.—1-4. L.O.L. 934, OYSTER SUPPER.—The members and friends of L.O.L. 934, met in the Waverley hotel and enjoyed an oyster supper on the 5th Nov. Evening Mr. J. Brown occupied the chair. The evening was most pleasantly spent in speech, song and chorus. M. F. Fisher delivered a good address. There was the utmost good feeling displayed. THE ELECTRIC LIGHT was inaugurated in the stores, and two on the streets on Saturday last. Many of the stores are using it, and thus far it gives satisfaction. The two street lamps are too low, but under the general system the poles will be higher. There are at least two more needed on the streets, one on the corner of the market, and the other south of the railway station. Let the residents of the railway district move in the premises. A GREAT CHRISTMAS SOUVENIR.—Although no public announcement has been made re- garding it, the trade has found out that the coming Christmas number of the Montreal Star is to be the most superb pictorial Christ- mas Souvenir ever seen in this country. The demand for it is simply immense, many dealers ordering a thousand copies each. It is the States are endeavoring to secure the ex- clusive sale in that country. It will be ready early in December. DOING GOOD TO HIS ENEMIES.—The trouble between Rev. W. F. Williams and ex- policeman Jarvis has terminated in a manner highly creditable to the clergyman and satisfactory to his cut-throat antagonist. While leaving in Bowmanville a few weeks ago, Mr. Williams heard that there was about to be a robbery on the police force of that town. He at once interviewed the mayor and other prominent persons, and on his repre- sentation that Jarvis had entirely reformed, the Toronto ex-policeman was appointed to the position, and began his duties there last Monday. ONTARIO BUSINESS COLLEGE, BELLEVILLE, ONT.—A remarkable program was taken in January, 1889, containing representative views from ten different Provinces, States, and Colonies then represented among the students. A photograph copy (reduced in size) sent free to any address. Solely on its merits and the success of its graduates, the College (now in its second year) enjoys a reputation throughout and beyond this continent, and an attendance so notable and extensive. The College circular and interesting and valuable copyrighted matter sent free. Be sure to address Robbin- son & Johnston, Belleville, Ont.—3-4. MARRIED.—Why should the man always in marriage notices, be said to be married to the woman? Is she not equally married to the man? If so, the notice should say so. If not, she ought to know it. When the marriage notice reads—Married, Mr. A. and Mrs. B., that fixes it. It shows that they are married, each to each, as should word say: one just as much as the other. It is a conjunction they need. They have no use for a proposition, at least at this stage. Let— and be the word, and let the reform be universal.—Orville Packet. [The Packet must have been reading THE WARDER. All the notices written in this office for years have read instead of to.] BANKRUPT STOCK SALE.—The great clearing out sale of McCrimmon Bros., bankrupt stock is still in full blast at their old stand opposite Campbell's grocery, corner Kent and William streets, Lind- say. A determined effort to clear out the entire stock, instanter—by way down prices. In staple dry goods we will give you a heavy linen towel for 4 cts., white linen tablecloth for 2 cts., each; a pure linen yard for 10 cts. a yard, and a 96 inch wide factory for 4 1/2 cts. a yard. In clothing—Ladies' jackets and mantles we are offering immense bargains. Jackets and ulsters from 50 cts. Hats and caps to clear at 15 cts. White wool blankets extra large and full weight \$2.50 a pair. Each department throughout the whole store is so completely covered with bargains in useful winter goods. Warner & Perry.

FIND China Hall's advertisement.—2 3. FARM FINNAN HADDIE.—During the ses- sion at A. Campbell's.—2 3. CHINA HALL will sell goods 25 per cent cheaper than any house in town.—2 3. 100 BOXES Victoria laundry soap, \$1.25 per box at A. Campbell's.—2 3. Sweets. Anyone wanting a small upright boiler should enquire at THE WARDER office. An Italian's arm was broken at the rail- way yard last week in a fall. He went on his way. Sheriff and Mrs. McLozman have gone on a visit to friends in Cincinnati. They left on Monday. Mrs. Joseph Lisle left on Monday for a visit to Tacoma, Washington State. May she enjoy a pleasant trip. Mr. Irwin of Oshawa has bought out the milk business from Mrs. Houghton, and be- gins business here this week. The celebrated Chaplain Searles preaches and lectures in Cambridge street Methodist church on Sunday and Monday Dec. 8th and 9th. Some reckless fellow recently fired a shot into the glass of the upper bathhouse in Seauger river near Surrytown lake, smashing it to pieces. A lady residing within one minute's walk of the G.T. station is desirous of taking one or two decent boarders. She will take only decent men. Mr. William Bell, and his sister from Toronto, with Miss Harrington of Albany, N. Y. are guests with Mr. and Mrs. R. H. Bell in town. Credit sale of farm stock and implement, on Monday, November 13 th, at lot 25, con- A. O. The property of Mr. David B. Vines, Geo. McHugh, auctioneer. Rev. Chas. Adams of Boxborough is this week assisting Rev. Dr. Williams in the revival services in Cambridge St., Methodist church, with much success. The Post Hope Guide says:—"Mr. Brad- burn, Peterboro, made us a call to-day. He is thinking of leaving our Opera House here, and run it in connection with his house in Peterboro and Lindsay." Mr. Hugh Ferguson, near Soaya, Mariposa, drove to Lindsay last Saturday with a quan- tity of butter which found ready market. Farmers from a distance are more and more learning the beauties of Lindsay as a market. It was noticed that last Saturday the gas jets were changed on some of the street lamps all the 6th and 8th, burners in town being bought up. Was this to throw the electric light in the shade? Why were they not used before? Mr. James Wylie of Mariposa spent Sat- urday in town where he came to market pork. He reports his fine crop of colts to be doing well; and is making ready to build a fine brick house next year. Prosperity to such worthy farmers. Mr. Hugh Mitchell is no longer in the service of THE WARDER and has not been since last July. He is therefore not author- ized to receive moneys on account of THE WARDER. He is still engaged in other agency work. Vide card. It was once supposed that scrofula could not be cured by the system; but the marvellous results produced by the use of Ayer's Sarsaparilla disprove this theory. The reason is, this medicine is the most powerful blood- purifier ever discovered.—2 1. The consequences of having a remedy at hand for croup, pneumonia, sore throat, and sudden colds, is very comforting to a parent. With a bottle of Ayer's Cherry Pectoral in the house, one feels, in such cases, a sense of security nothing else can give.—2 1. Rev. Dr. Williams will preach in Cambridge street Methodist church next Sunday morning and evening, and he will be assisted in conducting revival services during the whole of next week by Rev. C. Parker, one of the north side ministers in the Bay of Quinte conference. Mr. J. H. Ellis of the 43rd Ottawa and Carleton rifles, one of the best shots in the Dominion reached Lindsay on Saturday, and was the guest of his cousin Mr. Johnston Ellis. On Monday they with Donald Sinclair and others left for a hunt in the wide of the north. Great results are looked for. An old Mariposa boy, now a resident of Verulam, being stumped at a raising on Mon- day by some of the boys as to how far he could jump, made 10 feet 8 in. at a standing jump. Not bad for a man of 60 years of age. It is needless to say the goose could not come up to the old man by 8 inches. Dr. May, Inspector of Mechanics' Institutes, visited Lindsay last Tuesday and was met at the station by John Dobson Esq., president of the Lindsay institute, who with Col. Deacon and other members of the council of manage- ment had a most pleasing interview with the worthy doctor, and THE WARDER endorses his action. Messrs. E. E. W. McGaffey and L. Bowman were lodged on Saturday evening at the station by the board of whom Mr. John Campbell is leader. Inspector Rezin had to bring them up short, so we are informed. Let more liberal policy be adopted by the trustees. Their souls should be broader. The Dominion Illustrated for November 2 gives a good deal in the way of portraiture—Hamilton celebrities taking the lead. The Provincial Secretary, Senator Sanford, Mr. Adam Brown, M. P., and Mr. Hendrie make a fair show for one city. The Post Office, new Assizes and courts of the Assizes are the specimens of Hamilton architecture. The Ottawa Canal Club's meet, the Leader Champlain Crew show that aquatic are not neglected. A fine double page illustration—the New Day Reg—occupies the center, and lovers of the chase will appreciate the hunting scene—"Where's the field?" The Dominion Illustrated is published by the Dominion Illustrated Publishing Company, Mr. G. E. Buchanan, managing director. Subscription, \$4. Address: 73 St. James street, Montreal.
