

The Victoria Warbler FRIDAY, DECEMBER 27, 1889.

A nation of hearts and a nation of hands A nation of hearts and a nation of hands A nation of hearts and a nation of hands

When a hoisting accident occurs, the gossips and cranks "regret the accident" but add, "have you heard that he was under the influence of liquor?"

INDEPENDENT ROMAN CATHOLICS.

The world progresses. In Toronto, Whitby, Ottawa, Peterboro, Ottawa, Montreal, Quebec, in fact everywhere one turns, there is found a spirit abroad among the independent roman catholics to entirely free themselves from the meddling of priests or bishops in temporal or educational affairs.

Mr. Mowat has recently issued a list of provincial "Q.C.'s," Messrs. D. J. McIntyre, J. A. Barron, and Hugh O'Leary, are the Lindsay representatives. It is evident from the above as well as from the absence of the name of Mr. G. H. Hopkins in the list that the title Q.C. as provincially applied is simply a political title.

Truly Lafayette said: "If ever the liberty of the American Republic is destroyed it will be the work of roman catholic priests."

Congratulations to Capt. Samuel Maynard Rogers of Ottawa, on his advancement to the position of Adjutant of the 43rd Ottawa and Carleton Rifles. He is a worthy officer and citizen.

Cochran, one of the rising barristers of the Pacific slope, and son of Rev. Dr. Geo. Cochran, President of the Methodist University in Japan.

"Edgar's Best Friend" VERY SICK.—Dr. P. H. Clark lies very ill at his residence in Lindsay. Recently several staunch Eidon citizens were in town and the conversation turned on Dr. Clark, whom one and all deified. "Dr. Clark is the best friend Eidon people ever had. Many a farmer has been helped on his feet by the Doctor, and that too without cost; many a hundred dollars, or even thousands, in accounts, have been given away to the farmers in times of trouble; often has he driven through bad roads, not on professional business, to help a friend in distress. He is the best friend Eidon ever had, and no man will ever be missed or mourned more by them than he."

The special quality of Ayer's Hair Vigor is that it restores the natural growth, color, and texture of the hair. It vitalizes the roots and follicles, removes dandruff, and heals itching humors in the scalp. In this respect, it surpasses all similar preparations.—10-1.

A shrewd observer says:—"One can tell every old councillor who purports retiring this year. Each passes along with a simple 'grunt,' or mere 'good day'; but the fellow up again for election, stops, shakes the hand, inquires for the family, and wishes all a 'Merry Xmas!'"

CAPITAL PUNISHMENT '89.

The credit system is to be executed on the 31st Dec. 1889, for the crime of bad debts, slow pay, neglect to pay, and carelessness to pay when able to pay. These and other causes have caused me to decide to put the system out of existence and bury it out of sight.

A new, better, brighter and happier plan will take the place of the old one, and will be ushered into existence on this first day of January 1890. The new departure will be known as the

Cash - System

and will possess and bring all the advantages which attend it to buyer and seller. Rich or poor young or old will meet on common ground.

In the meantime, indication of what is coming will be noted in the PRICE, (just note that word) PRICE, during this month. The Stock of

BOOTS & SHOES

now on hand is very extensive, embracing most everything to be found in a well appointed shoe store, so it is not necessary to attempt to enumerate everything we have. Just one line, our Felt Goods, will be mentioned, and perhaps it is the largest and most complete to be found outside of a city store. Among these the plainest or most fastidious taste ought to be satisfied. We wish a very large patronage from everyone wishing to lay out their money to the best advantage.
