

LINDSAY FALL SHOW.
WATCHES.

I invite the attention of all visitors to Lindsay to my new and magnificent stock of GOLD AND SILVER WATCHES. My stock of silver American watches, including a line of watches especially adapted for school teachers' use, selected from reliable makers only, is the largest and best ever shown in Lindsay, and has been purchased entirely for cash. I particularly solicit an inspection of my stock by intending purchasers, and I am confident that I can quote lower prices than they can be bought for elsewhere or from any expensive city establishment, and instead of dealing with an entire stranger, one who never saw you before and whom you may never see again, you will have the advantage of buying from one who lives in your own neighbourhood and will have an interest—such as no stranger would have—in giving you a good article and seeing that it gives perfect satisfaction.

G. W. BEALL.

TO SPORTSMEN.

The undersigned beg to inform the sporting community that they have for sale a large and varied assortment of GUNS AND RIFLES, to which they invite the attention of intending purchasers, who will find more than 100 Breech and Muzzle Loaders to choose from, many of the best quality. Among their outfit of tools they have A BORING MACHINE of the latest improved principle, and are prepared to bore guns from six feet down to short lengths and insure good shooting. REPAIRS OF ALL KINDS EXECUTED in a workmanlike manner and on reasonable terms.

This gives the borrower every chance. He can pay on his mortgage any sum he may be able to spare at any time and stop the interest on so much, or he can release his farm at any time without being obliged to pay the company a heavy bonus for taking their money.
