

LINDSAY FALL SHOW. WATCHES.
I invite the attention of all visitors to Lindsay to my new and magnificent stock of GOLD AND SILVER WATCHES. My stock of silver American watches, including a line of watches especially adapted for school teachers' use, selected from reliable makers only, is the largest and best ever shown in Lindsay, and has been purchased entirely for cash. I particularly solicit an inspection of my stock by intending purchasers, and I am confident that I can quote lower prices than they can be bought for elsewhere or from any expensive city establishment, and instead of dealing with an entire stranger, one who never saw you before and whom you may never see again, you will have the advantage of buying from one who lives in your own neighbourhood and will have an interest—such as no stranger would have—in giving you a good article and seeing that it gives perfect satisfaction.
