LINDSAY FALL SHOW.
WATCHES.

I invite the attention of all visitors to Lindsay to my new and magnificent stock of GOLD AND SILVER WATCHES. My stock of silver American watches, including a line of watches especially adapted for school teachers' use, selected from reliable makers only, is the largest and best ever shown in Lindsay, and has been purchased entirely for cash. I particularly solicit an inspection of my stock by intending purchasers, and I am confident that I can quote lower prices than they can be bought for elsewhere or from any expensive city establishment, and instead of dealing with an entire stranger, one who never saw you before and whom you may never see again, you will have the advantage of buying from one who lives in your own neighbourhood and will have an interest—such as no stranger would have—in giving you a good article and seeing that it gives perfect satisfaction.

DEAR SIR:—I am much obliged to you for payment in full of the amount due me by your Company for the destruction by fire of my property insured with you.

MONEY, MONEY, MONEY.

I am now prepared to negotiate straight loans on good farm property security for any term of years at eight per cent. interest, with the privilege of repaying any portion of the principal at any time, the interest ceasing on the sum so paid.

This gives the borrower every chance. He can pay on his mortgage any sum he may be able to spare at any time and stop the interest on so much, or he can release his farm at any time without being obliged to pay the company a heavy bonus for taking their money. Expenses very little more than those of private loans.
