Miss Bettie Green, of Forsyth county, Ga., has two silk dresses which she made herself, having raised the worms, spun the silk, colored and woven it with her own hands.

Prince Edward Island has an "Act respecting dogs," which enables the owner of sheep worried by a dog to recover the full value of the animals from the owner of the canine.

Some Irish labourers, while digging a drain near Ennis, unearthed a large iron clasped chest, which, upon examination, was found to be full of gold coins of ancient date. Lying upon the cover was a large sword engraved with the name "O'Neill."

Hurrah for Reapers, Mowers & Sulkies, the best and cheapest in the market—Massey's manufacture—to be seen at Robson & Robson's Cameron Lake Foundry, Fenelon Falls. The leading farmers of North Victoria will testify to their superiority over all others that they have ever tried.—11-t.

**LINDSAY FALL SHOW.**

**WATCHES.**

I invite the attention of all visitors to Lindsay to my new and magnificent stock of GOLD AND SILVER WATCHES. My stock of silver American watches, including a line of watches especially adapted for school teachers' use, selected from reliable makers only, is the largest and best ever shown in Lindsay, and has been purchased entirely for cash. I particularly solicit an inspection of my stock by intending purchasers, and I am confident that I can quote lower prices than they can be bought for elsewhere or from any expensive city establishment, and instead of dealing with an entire stranger, one who never saw you before and whom you may never see again, you will have the advantage of buying from one who lives in your own neighbourhood and will have an interest—such as no stranger would have—in giving you a good article and seeing that it gives perfect satisfaction.
