

The United States crop report gives hope of a bountiful harvest this year, notwithstanding the drawbacks of floods, frosts, etc., in some quarters.

On Saturday a crazy railway employee was arrested at Doncaster for threatening the life of the Queen. It is thought the threats were made out of mere bravado.

A huge whale, harpooned off Provincetown on Monday, was towed into one of the Boston docks on Wednesday. It weighs 27 tons, is 62 feet long and 53 feet in girth, and its jaws have a spread of 26 feet. The monster is now undergoing the embalming process, and will probably swing round the circle in the wake of some travelling show during the summer.

A silver dollar with a bit of concave mirror set into one side is by gamblers called a "shiner." By laying it among his pile of coin and dealing over it, the operator can know what every player holds for that deal, the cards being reflected in the miniature. A member of the mining club of Leadville has been caught using a shiner. By means of it he won \$2,500 in a night at poker.
