have not as yet made much noise, but dation, which was left to be burned they are ready to a man for the word out, and as soon as it was consumed the "go." Judging from the appearance brick work caved in. The next cover of our Tory opponents, they will be for the kiln will probably be of iron. pretty well jaded scoring up before the erville do her duty.

DIVINE SERVICE .- The Rev. Mr Dowler, B. A., of Oakwood, will preach in the Methodist church, Fenelon Falls, next Sunday evening, at the usual hour.

GRANGE MEETINGS .- At a meeting of the District Grange at Ingram's hotel on Thursday afternoon, the late action of Lovely Grange in favor of a local candidate was fully approved and endersed. We shall possibly have further particulars in next week's Gazette.

LEFT OVER .- On Wednesday even ing there was a meeting of the School Board in Scully's hall and an alarm of fire at Mr. Samuel Johnson's on Colborne street. We have the proceedings at the one and the facts concerning the other, but are forced to leave them over until next week.

Louisa Street .- We hear that the Midland Railway Co. have a number of men at work on Louisa street, which will be good news for those who have to drive along it, as it has hitherto been in a dangerous condition. We have not yet been able to spare time to go and Down with Gerrymandering

see what is being done. VISITORS .- Mr. Arthur McQuade, ex-M. P. for South Victoria, and Mr. Province of her freedom to make laws before an audience, state the plain truth | J. R. Dundas, who aspires to succeed prove the vain hope-of thwarting the rally carry great weight, and the con- tioneering expedition. We were glad

> THE NOMINATIONS .- Do not forget noon on Tuesday next-for the North not one is yet to be seen in this village

Logs .- The river below the falls is now seldom free from saw-logs, quantities of which are constantly passing over the slide. Mr. Dalton Ullyot, of say for the north at 3:10 p. m. will be held | Ontario have been injured by the acdays ago looking after a large drive, and we were glad to learn from him that the Reformers in both ridings of that county are very hopeful of electing their candidates on the 20th inst.

DOMINION DAY .- The 1st of July will soon be here, but we have not yet heard that our villagers intend to celebrate it in any way. Of course they are too deeply immersed in polities just now to give their attention to less important matters; but the election will be over on the 20th inst., and there will be time enough between then and the end of the month to make arrangements for having some kind of a jubilee on Dominion Day, and we hope it will be done.

FIRE AT HALIBURTON.-Last Monday night, about 12 c'clock, Mr. George S. Thompson's two story frame house in the village of Haliburton was destroved by fire, which is supposed to have originated in some way from a stove-pipe. The only particulars we have heard are that a considerable portion of the contents was saved, and that the property was insured, but to what amount our informant did not know. The house was one of the best and most conveniently arranged in the village, and was worth a good deal of

STILL ANOTHER .- Mr. Andrew Torrance, shoemaker, of this village, who left for Winnipeg about ten weeks ago, returned last Saturday, glad to be home again and disgusted with the ambitious city. Sometimes he got work at good wages, which were eaten up during periods of idleness, and, all things considered, he can do as well in Ontario as in Manitoba. Mr. John Campbell, painter, who went from Fepelon Falls to Winnipeg a few months ago, is doing pretty well, but both his children have died of a very virulent form of measles. which Mr. Torrance says is exceedingly

prevalent and often fatal. A DOUBLE Loss. -On Friday of last week Mr. Samuel Keown, of Verulam, took one of his horses to Mr. F. Sandford's shop to be shod, but he refused to submit to the operation, and in the struggle which ensued he fell against one of the anvils, the "nose" of which penetrated one of his shoulders to the depth of several inches. It was at first thought that his shoulder blade was split, and under this impression his solicit re-election as your representative owner accepted an offer of \$25 for him. in the House of Commons. and we hear that it has since been ascertained that the bone was not injured. and that the animal will probably recover. The loss, though bad enough, you returned me again in 1878 pledged such hostile spirit had been displayed, Moved by Mr. Fitzgerald, seconded was not the worst Mr. Keown was to: to support Sir John A. Macdonald in and, much to the advantage of our far- by Mr. Smith, That Jas. J. Power be endure, for we have since heard that

factory condition. The Government of which I have ELECTORS been a supporter have faithfully re-

deemed their pledges, and under the blessing of providence have succeeded in bringing the country to a higher Sick Headache, Neuralgia, Dyspepsia and state of prosperity than it ever before

> I therefore with confidence ask for your verdict in favour of that Government which has honestly, faithfully and to your benefit, administrated your affairs, and I appeal to you to show by I deem it my duty to place before you your votes on 20th June that you do not desire to reverse and upset the Na- tions now before the electors of thistional Policy under which you have

prospered. tion before you at the present election. is against them in that violent hostility to the National Policy which they have shown ever since it was introduced in 1879, now sometimes pretend that they only advocate some modifications of it. If it only requires to be modified in some of its details, is a change of Government necessary for the purpose, and ter opponents be better entrusted with

it perfect ? In order to distract your attention from the real issue you have to decide, ple time to hear Mr. Blake and return by the Opposition have tried to raise the cry that the rights of the Province of tion of the Dominion Government in reference to the Boundary Question and by the disallowance of the Streams Bill, and they seek to set this Province at variance with the rest of the Dominion instead of strengthening that beneficial alliance for the common good so happily brought about by our Confederation

in 1867. There is no foundation whatever for of these matters, as I shall fully show at the various meetings throughout the Riding where I hope to meet as many of you as possible. Ontario has not been and cannot be deprived of one mile of territory which lawfully belongs to her, and her power of self govern ment and that of every Province of the Dominion has been preserved by the present Government in accordance with our Constitution.

The Opposition also complain without cause that they have been unfairly treated in the Redistribution of Seats rendered necessary by the addition of four members to Ontario, but the sense of the people will be fairly ascertained at a general election as in 1874 and 1878, no matter how the constituencies

may be divided. I have not been unmindful of your interests in a matter of much local importance, although at the same time it is in my opinion calculated to benefit greatly all this portion of the Dominion. I have in common with others interested in the Trent navigation system urged on the Government and Parliament the necessity of this work, and we have procured an appropriation at the last session of \$290,000 for the construction of they are satisfied with the manner in locks at Fenelon Falls, Buckhorn and Burleigh as a commencement of the work, and tenders are now advertised for. The late leader of the Opposition, with the tacit acquiescence by his silence of the present leader, strongly op-

posed this grant, however. Hoping to receive from you a confirmation of the confidence you have heretofore reposed in me and an expres- candidate, Hon. S. C. Wood, and by others. sion of your approval of my support of the present Government,

I have the honor to remain, Your faithful servant, HECTOR CAMERON
