The Fower, of Music.

BY DR. MULVANY.

VOL. X.

As each experience of new life began, When first thou heardest the wolf howlin the First sawest the fish shoot through the glitter-

When eyes saw love that had not yet seen

And fanned their first fire with mistrustful And scarce had words for eager Thoughts' ex-Words only- Music was a later birth,-

Thoughts that there is no language to express Die, and thus love was dying from the earth, Then of the Heavenly was there a revealing That harmonized the chaos of man's breast, Above, around, within a hidden teeling, New born, for music is but love expressed?

The pain of passion struggled into song. From longing lips the thrill Arose by wood and rill,

As Music voiced Desire, And all the hopes and fears that were as gold But, lo! a wilder strain

Has stirred the hearts of man! To the tumult, and the shrick, and the shout, To the spear points flercely tossing like a wave. Towards the death that has no terror for the Dyed in the blood of enemies, the wreath

To that song of jubilation While as yet their heart beat high, Blends with notes of victory. Softening and to tears beguiting, Agony that cannot weep.

Sweet tones of earthly song, perchance ye are The dreamy voices of a world unknown, Our loved one's home, and yet to be our own. O hope that seem'st too natural to deceive, Peopling the solitude of life's dull way,

A TURKISH FESTIVAL.

How the Sultan Killed a Sheep at the Bai ram Ceremonies.

Under date of Oct. 24, a Constantinople ly embroidered with gold; loose, baggy "It's nice to be a boy" in Burmah, that trousers of blue cloth, and riding boots with tops of irreproachable whiteness. In the carinfant whose royal papa spends a million riage with Abdul Hamid rode Ghazi Ahmed with sheet gold inside and out. Over this door of the mosque, with silk and gold tasselled bridle and saddle-cloth a mass of red velvet and gold tracery. The religious ceremony lasted about half an hour, and to the Christian listener outside seemed very much like a high church performance of some cereprecious stones; how good King Theebaw monial of his own religion with its chanting is to his battle child, and how happy his of the prayers. Presently a bugle sounded, the ministers and marshals mounted their although no one's head is safe f r an hour chargers, while the naval and military patheir arms, and a bustle at the mosque door, their keen-cutting "kamas" kept watch of common sense. and ward, showed that his majesty was about to appear. As the sultan mounted Copal varnish applied to the soles of shoes, the charger, carefully held by some half doand repeated as it dries until the pores are | zen grooms, the guard of honor turned a half filled and the surface shires/like polished face, the troops presented arms, the music mahegany, will make the soles waterproof, struck up the Sultan's March, and the whole procession moved off at a stately pace.
