**My Countrymen, Behold these Portentous Facts, and Draw your own Conclusions!**  
**GENTLEMEN.**  
 As that ever auspicious time Merry Xmas is fast approaching, with every indication of fine wintry weather, THE CITY STORE is now the chief centre of attraction.  
 The pressure of business necessitated the services of a second cutter, and with our usual enterprise and good luck we have secured a man possessing the ability, tact and experience of cutting Ladies' and Gentlemen's Garments, which immediately recommended him to us. All orders will be executed promptly, and all favouring us will be insured from disappointment and delay.  
 Gentlemen possessing sky-aspiring and ambitious designs, the CITY STORE can place in your hands the best cards to win the game. This exclusive Cash System inaugurated and sustained by us is the main prop of our success. For a moderate amount of cash we can furnish you with an outfit, proving a continual source of pleasure to yourself and all others interested in you.  
 The Credit System of buying clothes is deprecated, dead and buried by the knowing ones.  
 The Cash System puts the prices of Persian Lamb, Seal, Ottawa and Beaver Caps and Gauntlets down amazingly low. The newest things in Shirts, Ties, Hats and Braces are waiting ready to serve you.  
 Our Ready-Made Clothing boom still continues to prove a living reality. A few more low priced Overcoats left to tickle the heart of the lucky one. These clothes are manufactured to be worn, not locked up in drawers, chests, etc., until after a long and useful life. They are kept as mementoes of the bargains obtained under the Cash System at the CITY STORE.

**LADIES.**  
 Well Ladies, our promises of something good have opened the eyes of expectation, and the exclusive Cash Store is prepared to satisfy all as to the Superiority of our Cash System. We will sermon you no further, but at once tell you of some treats prepared for you, fully realizing that every lady wishes to appear in neat, fashionable and elegant apparel for the least possible expenditure. We must say we have scanned and culled from all quarters of the globe to place before you goods possessing all these qualities.  
 Come, see, purchase, wear and enjoy the comfort of one of our Boohrah or Atrachan Mantles, made specially to our order at prices ranging from \$10 to \$40. They are simply unexcelled.  
 Our Seal, Persian Lamb and Milk Seas, Caps and Gauntlets possess a wonderful attraction for our lady friends. Never before were such bargains placed before the astonished gaze of a wondering public.  
 Our extensive range of DRESS GOODS embraces material gratifying all tastes, suiting all purses, and especially adapted to this fast approaching festive season.  
 That you may thoroughly enjoy a drive in this snow, beautiful snow, about which poets rave, we have secured a large stock of Shawls, Wraps, Cloaks and Hoods of every color, shade and quality.  
 Nor have we forgotten the many little accessories which lend a charm to the simplest toilet, and without which the richest is not complete.  
 Ladies, remember the CITY STORE when you require Gloves, Ties, Laces, Ribbons, etc.

**BOUND TO LEAD.**  
 TRADE in our Clothing Department is now at its height, and did we judge alone by the crowds that daily claim the attention of our salesmen, advertising this line of goods would almost seem unnecessary—almost a waste of money; but then, you know, there are two sides to every question, and here is the other side. In making up for this department we provided for great numbers, and have since bought some  
**Job lines at less than wholesale prices,**  
 which will require crowds long continued to clear our counters of the  
**ENORMOUS STOCK OF WINTER CLOTHING**  
 —especially of OVER-COATS—with which they are loaded. We have already said our Stock was large. Now for our goods. Three words will describe them:  
**Reliable! Stylish! Graceful!**  
 Reliable in material. Stylish in cut and finish. Graceful in fit and shape. To those virtues we have added one other, that of  
**LOW PRICES.**  
 This, we think, should complete the list.
