

THE LOW PRICES

of the last month have made things fairly hum, and if still Lower Prices will make the boom continue through the summer, then look out for us. Profit or no profit, the ball being opened we will make it interesting for friends or foes.

In proof of these statements we ask a careful examination of the prices below; and in case there should be any doubt in your mind cut it out and bring it with you; and if you want further evidence go to any or all the stores in town, examine goods and prices, then come and we will knock the bottom out of them all.

PARASOLS
at fully 25 per cent. below value.

BLACK CASHMERE
and Dress Goods are down 30 per cent.

STEAM LOOMS
and **FACTORY COTTONS** are so low that you cannot tell when they are cheap until you have seen ours.

CARPETS.
Well, as for Carpets, I think they have all given up trying to sell any until we get our stock sold out, which will be very soon.

QUILTS AND LACE CURTAINS
are going out so fast that we can hardly keep the stock complete. Our 75 cent Lace Curtains are all gone, but we have placed an order for 50 pairs more.

MILLINERY
has been a proud feather in our cap this season. Never did we do anything like so large a trade, many orders being sent to us by people we have never seen.

OUR TAILORING
has taken that proud position among the people that Mr. MILNE, our cutter, is recognized as the authority and autocrat on Style, Fit and Finish. SCOTCH, ENGLISH and CANADIAN TWEEDS have dropped in price to such a figure that every one seems determined to have a new suit.
