

THE LOW PRICES

of the last month have made things fairly hum, and if still Lower Prices will make the boom continue through the summer, then look out for us. Profit or no profit, the ball being opened we will make it interesting for friends or foes.

In proof of these statements we ask a careful examination of the prices below; and in case there should be any doubt in your mind cut it out and bring it with you; and if you want further evidence go to any or all the stores in town, examine goods and prices, then come and we will knock the bottom out of them all.

PARASOLS

at fully 25 per cent. below value.

BLACK CASHMERE
and Dress Goods are down 30 per cent.

STEAM LOOMS

and **FACTORY COTTONS** are so low that you cannot tell when they are cheap until you have seen ours.

CARPETS.

Well, as for Carpets, I think they have given up trying to sell any until we get our stock sold out, which will be very soon.

QUILTS AND LACE CURTAINS

are going out so fast that we can hardly keep the stock complete. Our 75 cent Lace Curtains are all gone, but we have placed an order for 50 pairs more.

MILLINERY

has been a proud feather in our cap this season. Never did we do anything like so large a trade, many orders being sent to us by people who have never seen.

OUR TAILORING

has taken that proud position among the people that Mr. MILNE, our cutter, is recognized as the authority and autocrat on Style, Fit and Finish. SCOTCH, ENGLISH and CANADIAN TWEEDS have dropped in price to such a figure that every one seems determined to have a new suit.

ROBSON & ALLAN.

Fenelon Falls, May 30th, 1883.

A FULLY CONCEDED FACT.

That in buying SHOES and BOOTS it is desirable to get them Cheap, Neat Fitting and Substantial.

That in wearing such Shoes and Boots it is imperative that they should prove Durable, Well-looking and Shapely.

That in choosing Shoes and Boots, as aforesaid, it is imperative—to get best choice—to pick from our stock at once, the largest and most complete in all lines.

That even the poorest people have more or less money and can't do without Shoes and Boots; and that said money, let it belong to rich or poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily than at **MAGUIRE'S**.

That **MAGUIRE** has been in the Shoe and Boot business for some years—at least—and is the pioneer in furnishing much value in Leather for little money of Lindsay town.

The above clauses form one solid, invulnerable and general CONCEDED FACT which buyers of Shoes and Boots will clear cash by remembering.
