Hope wonderingly. "No, he didn't see him steal it, but it's all lows, too. We were all on the dock fishing, when old Grubby comes along grumbling and stands behind us. Just then a big fish out of his pocket and began fumbling in it for one. Then I heard Grubby scream something, and I looked up. He was standing close by Will with his hands hooked just like the claws of a bird and his teeth all showing. The next minute he made a spring at Will and screeched,

Although there were a number of persons in the room, it was so silent that the whirring noise made by Hope's pin-wheels sounded so loudly that those sitting near turned and looked at her. She tiptoed along quietly until she came to the end of a long row of benches. Then she saw an open space with three or four tables in it and a raised desk. Men sat at the table writing, and a very large red-faced gentleman, with his eyes closed, as if listening intently, was behind the desk.

Old Mr. Grubby was speaking when Hope first saw him. "Yes," he said, "that is my pocket-book; the same that I missed Monday afternoon. It then contained twelve hundred dollars in certified checks of one hundred dollars

each." "Oh, Mr. Grubby !" cried Hope, stretchwhen I picked it up."

In the Hour of Need You want not to try experiments but resort to the old and well tested means that afforded relief in the past. When your corns ache don't take the first article offered you, but find out just the thing to answer your purpose, viz., to remove the troublesome corns, and to do this without pain, and do it promptly, Putnam's Painless Corn Fxtractor has been used for many years. It has never been known to fail. Putnam's Extractor makes no deep holes in the flesh, hard to heal and more troublesome than the original discomforts. It works nicely and

efficiently. Whatever is becoming is honest, and whatever is honest must always be becom-
